An example of invalid password

Overview:

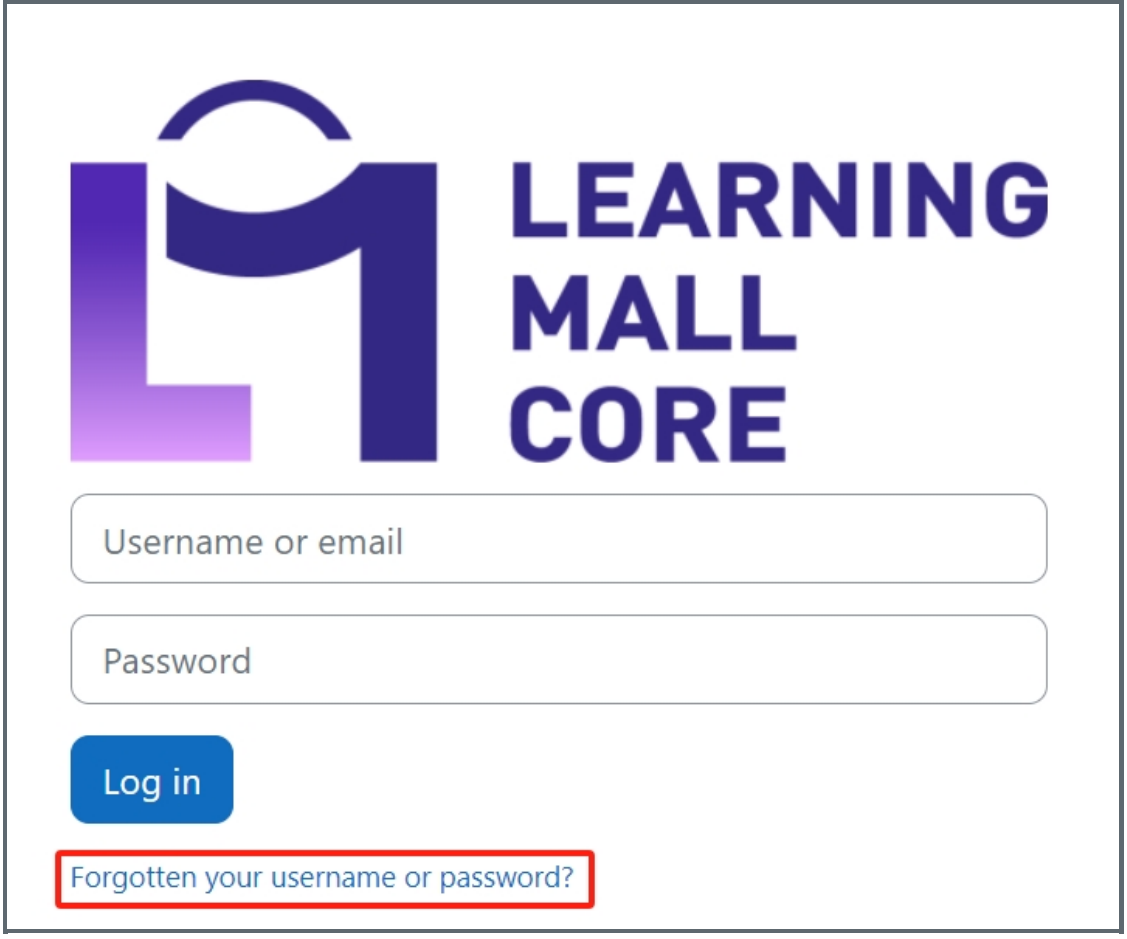
This guide will show you what to do when you want to change a password or when you forgot the password. The guide will offer ways to find password back for users whose account is a self-registered account.

" I forgot the password and can't log in to the Learning Mall Core system. What should I do?"

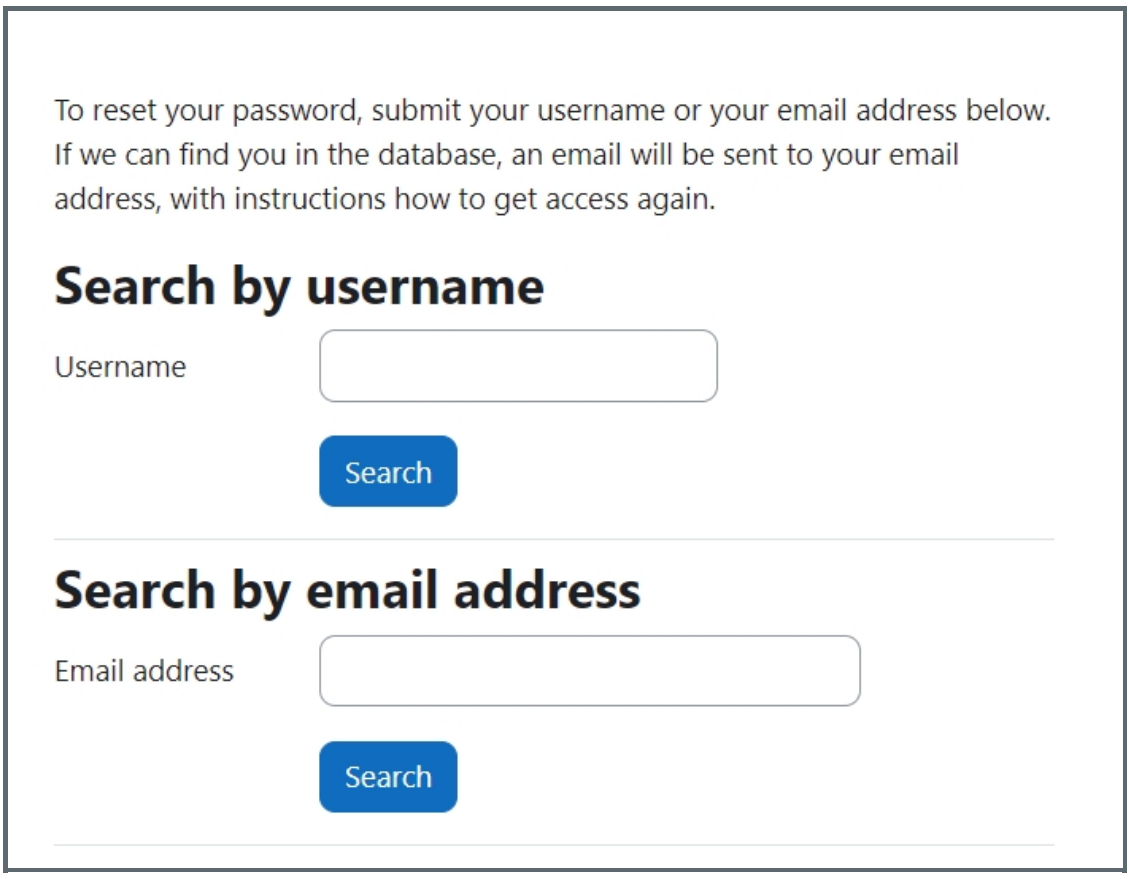
Please follow the steps below to reset the password for your external account:

Go to: https://core.xjtlu.edu.cn/login/index.php?noredirect=1&passive=off

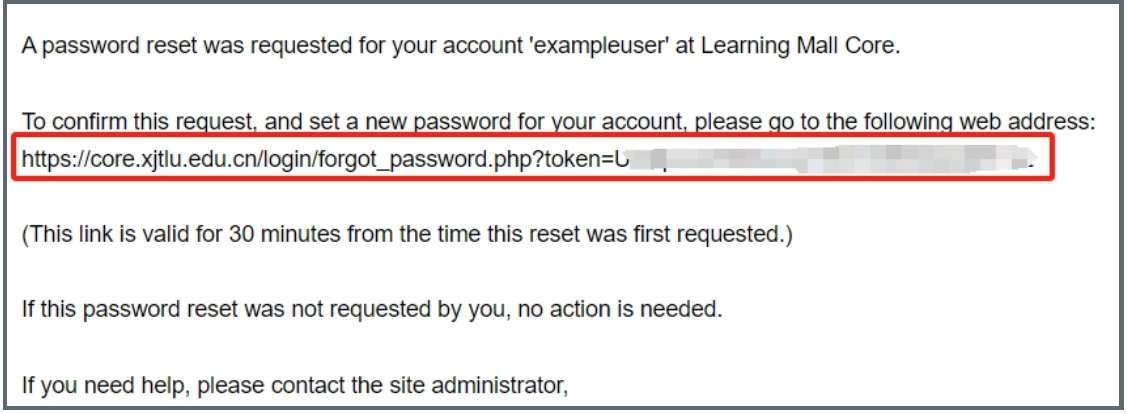
1. Click "Lost password " on the log-in page.

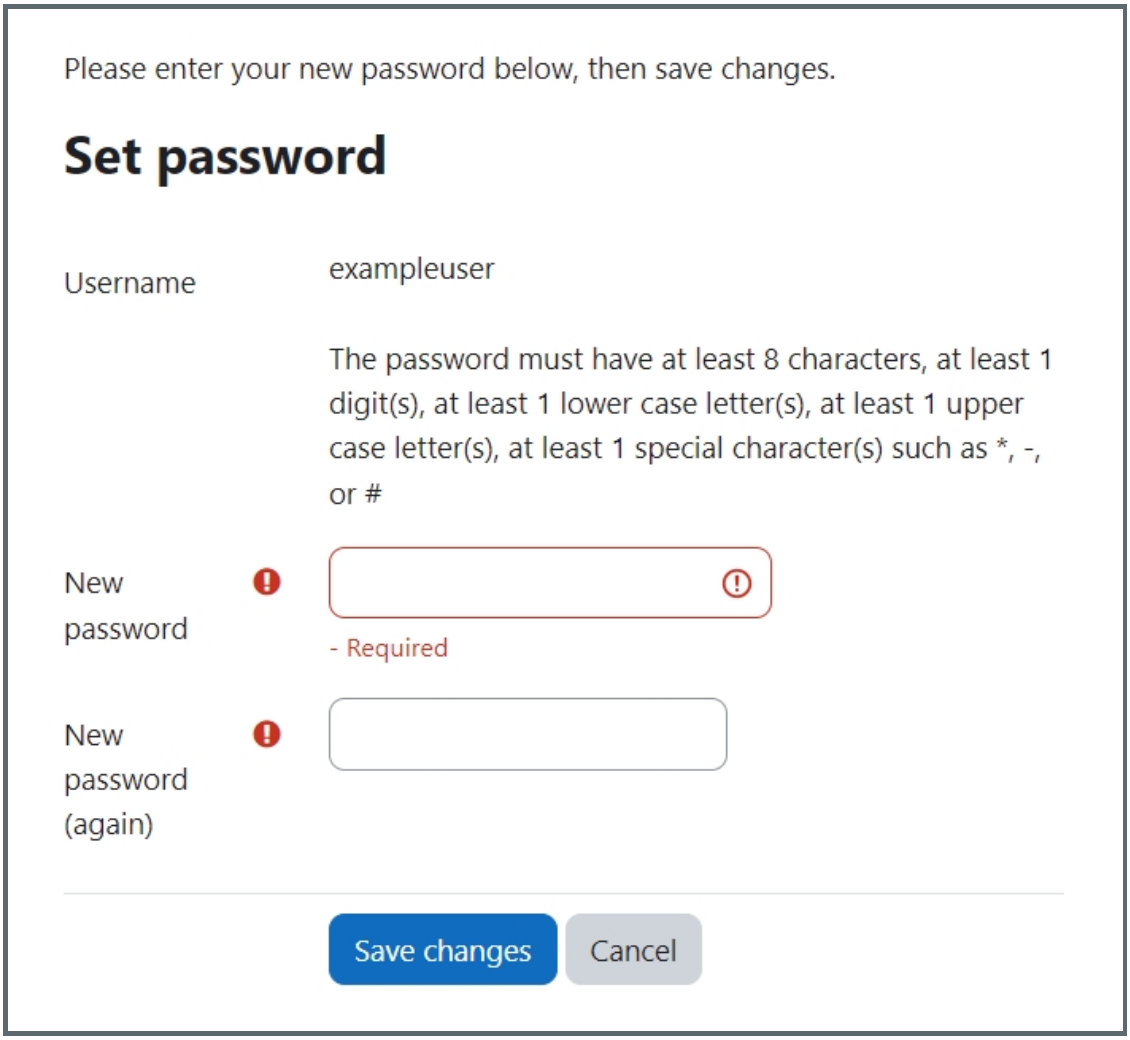


2. Type in the registered username or email into the box:



3. After the message is sent to your email, please click the link in your email to reset the password:

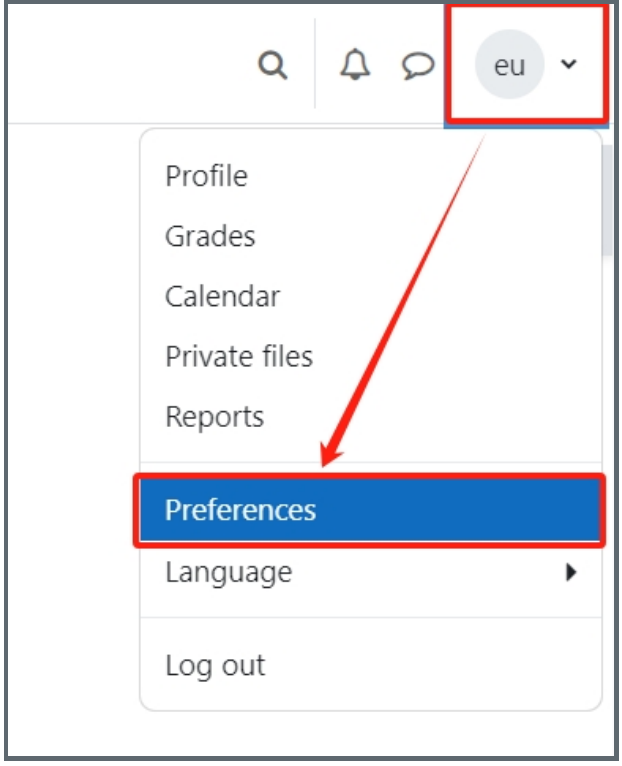




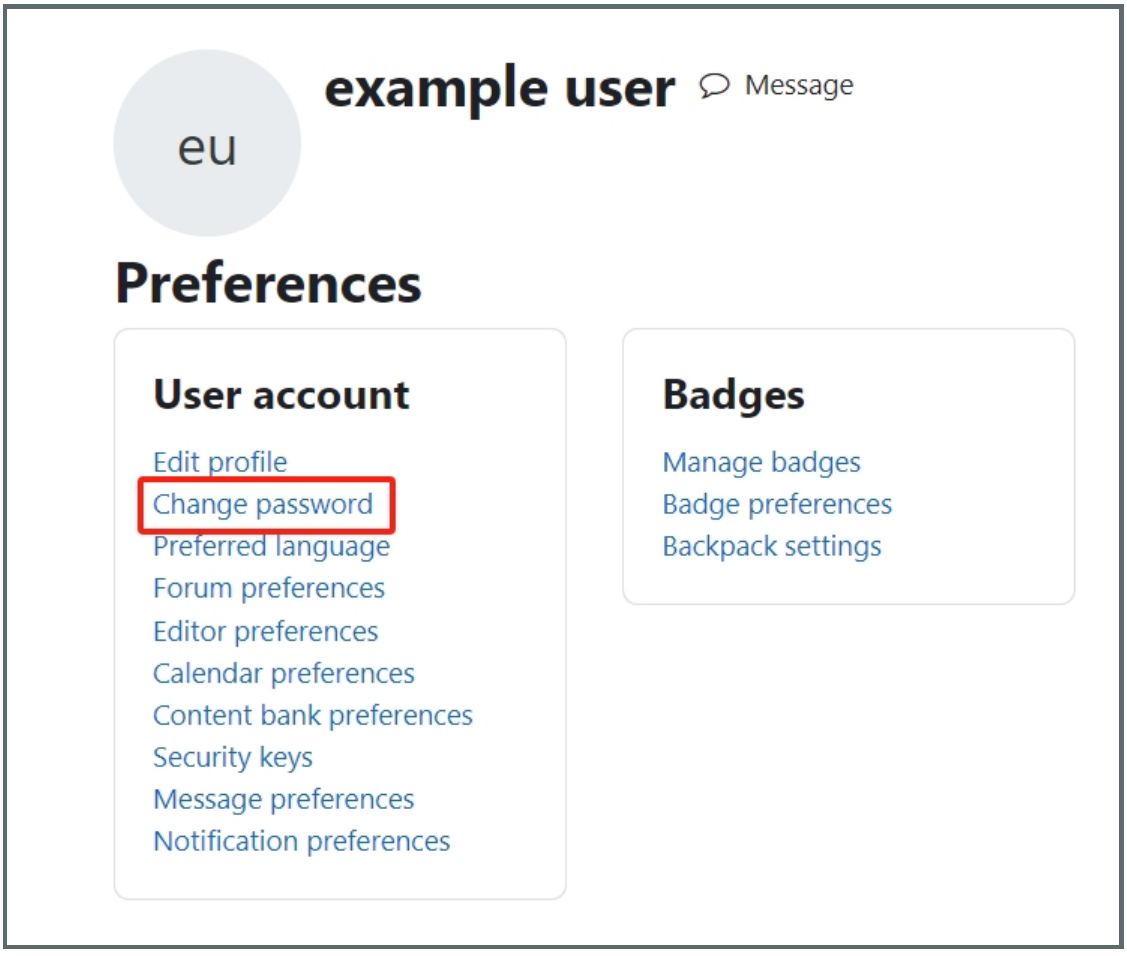
" I didn't forget the password and can log in to the Learning Mall Core system. But I want to change the password for security purposes. What should I do?"

Please change it on Learning Mall Core preference page.

Step 1 Click your profile image and then click "Preference".



Step 2 Click "change password".



Step 3 Change the password as you like.
