An example of the response report

Overview:

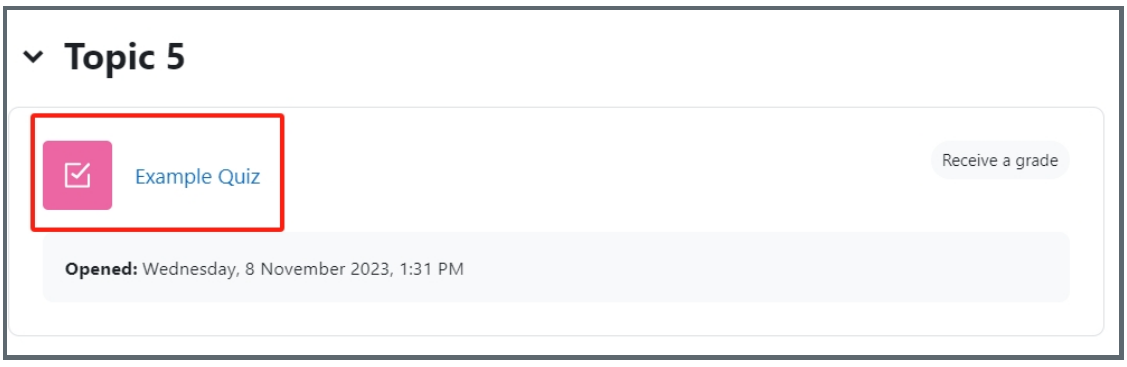
This guide will show you how to locate, filter, and download response reports within the Quiz activity.

Table of Contents

Step 1: Access the Quiz activity
Step 2: Locate the "Responses" link
Step 3: The response report
Step 4: Filter the report
Step 5: Download the report

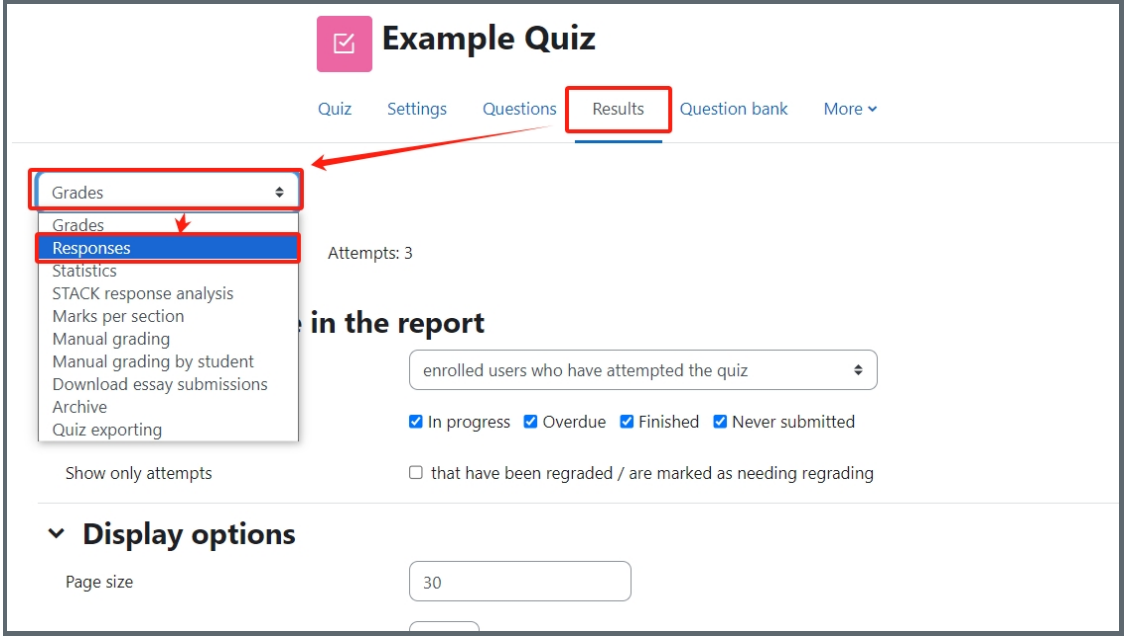
Step 1: Access the Quiz activity

In your module area/course, click the link of the Quiz activity.



Step 2: Locate the "Responses" link

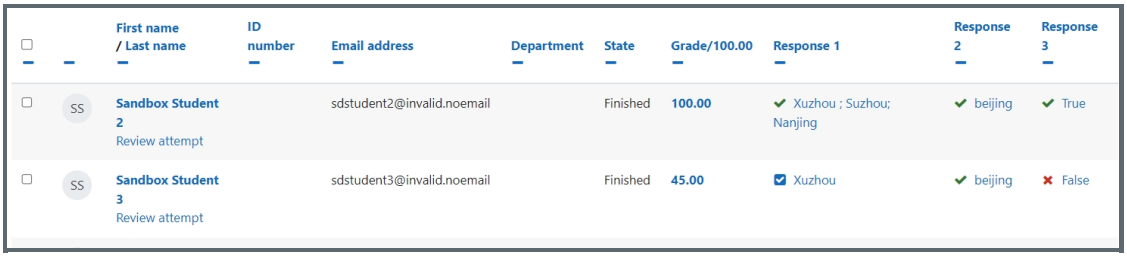
1. Click the “Results” tab on the menu
2. Click the ’’ Responses" in the dropdown list



Step 3: The response report

You will see the response report like the example below:

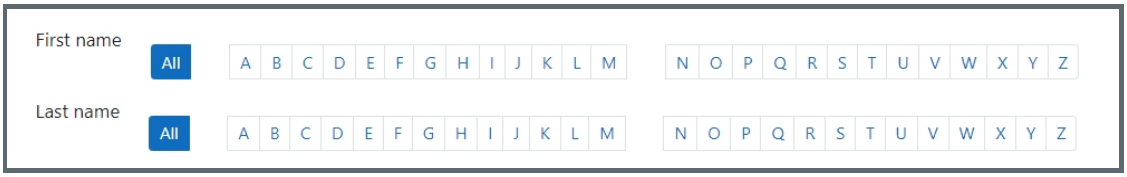
You will be able to see how the student did in the whole attempt or in different questions by clicking on the links in blue.



Step 4: Filter the report

You can choose what to include in the report and the display options by changing the settings, and then click "show report".

You can locate a particular student's response by selecting the initial letter or his/her First name and/or Surname.



Step 5: Download the report

You can download the report in different formats by selecting the formats and click "Download"/
