Step 2: Click 'Add an activity or resource ' link

1. When editing mode is turned on, navigate to the section where you want to add the Assignment activity.

2. Next, click the 'Add an activity or resource' button displayed at the bottom of the section.

Step 3: Choose the Assignment activity

- 1. From the pop-up activity chooser window, locate and select the Assignment activity.
- 2. Then it jumps to the setting of the activity.

### Step 4: Give a name of the assignment activity

Please give a name of the assignment activity in 'Assignment name' setting.

| General |              |            |
|---------|--------------|------------|
| Assig   | nment name 🔒 | Assignment |

# Step 5: Set up the assignment time

In the 'Availability' section, please set up the time of the Assignment activity.

'Allow submissions from': the time that students can start to submit work.

'Due date': the deadline of the assignment.

'Cut-off date': after which students cannot submit work anymore. (Students can still submit work after 'due date' and the submission will be regarded as late submission.)

'Remind me to the grade by': System will remind teacher to grade the Assignment.
