#### Step 1: Turn on editing mode in your module area/course

Go to the module page.

Step 1: Turn on editing mode in your module area/course

Click the 'Turn editing on' button displayed near the upper right of the module area/course.

Step 2: Click 'Add an activity or resource ' link

- 1. When editing mode is turned on, navigate to the section where you want to add the Assignment activity.
- 2. Next, click the 'Add an activity or resource' button displayed at the bottom of the section.

## Step 3: Choose the Assignment activity

- 1. From the pop-up activity chooser window, locate and select the Assignment activity.
- 2. Then it jumps to the setting of the activity.

## Step 4: Give a name of the assignment activity

Please give a name of the assignment activity in 'Assignment name' setting.

## Step 5: Set up the assignment time

In the 'Availability' section, please set up the time of the Assignment activity.

'Allow submissions from': the time that students can start to submit work.

'Due date': the deadline of the assignment.

'Cut-off date': after which students cannot submit work anymore. (Students can still submit work after 'due date' and the submission will be regarded as late submission.)

'Remind me to the grade by': System will remind teacher to grade the Assignment.

### Step 6: Set the submission type

In the 'submission type' section, choose 'Video assignment'.

Hint: If you want students to submit a video as well as other types of work, you can also choose the other submission type here.

# Step 7: Save the settings

Scroll down to the bottom of the page and click 'save and return to course' or 'save changes' button to save the settings.
