## Step 3: Viewing student submissions by student names

To filter student submissions by name you have the ability to utilize the 'First name' and 'Surname' menu that is located at the top of the screen and this will act as a filter.

## Submissions

Grading action Choose...

Reset table preferences

**Nothing to display**

When the table preferences are reset, all of the filters are erased and it returns to the default format view. The 'Reset table preferences' button is no longer visible as there is no reset required.

## Step 5: Filtering via groups

If you have implemented groups on your assignment, then you will have the ability to filter your submissions by groups within the submissions grading screen, this can be done by going to 'Separate groups' and clicking on the dropdown menu.

## Submissions

Grading action Choose...

Separate groups All participants

First name All A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Last name All A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

After clicking on the 'Separate groups' dropdown menu, you will now be presented with all of the groups within the module. By clicking on a group you will have the ability to view only submissions from that groups students.

Hint: groups need to be set up in the module, then you can choose them in the 'separate groups'.
