

Double-marking Assignment - How to allocate assessors

An example of manual assessor allocation

Overview:

This guide will show you how to allocate assessors to each student submission. It will include Manual allocation, allocation upload, and equal numbers for each assessor.

What to know:

Module leaders can select assessor allocation methods both on the "Marking workflow" category on the settings page, or change it on the "Allocator assessors" page later.

Note: Only module leaders can allocate assessors.

Assessor allocation file format:

- Please follow the spreadsheet format as below to put the columns of "allocatable email", "assessor1 email", "assessor2 email" and "assessor3 email" (Please use lowercase. You can also download and edit on the file template at the bottom of the page.). If you only have two or one assessors, please delete the empty column:

	A	B	C	D	E
1	allocatable email	assessor1 email	assessor2 email	assessor3 email	
2	student3@edu.cn	teacher4@test.com	teacher2@test.com	teacher1@test.com	
3	student@edu.cn	teacher1@test.com	teacher3@test.com	teacher2@test.com	
4	student2@edu.cn	teacher4@test.com	teacher1@test.com	teacher3@test.com

7					

- Save the file as a csv file.

If there's no error, you will see the message as below:

Allocations file upload results

The allocations file that you uploaded has been validated and processed. Below is the result of the upload.

No errors were found in the allocation sheet uploaded
