Below it is the 'Assignment name' field, which is empty and highlighted with a red rectangular box. Below the name field is the 'Description' field, which is a rich text editor. The rich text editor toolbar is highlighted with a red rectangular box and contains icons for undo, font color, bold, italic, bulleted list, numbered list, link, unlink, smiley, image, video, audio, help, and a question mark. Below the description field is a checkbox labeled 'Display description on course page' with a question mark icon.

## Step 3: The Grade section

### Important:

If you disable the Anonymous submissions and enable it again, or reveal student identities and use Anonymous submissions again, the student number in Anonymous submissions will change. It may cause confusion to your colleagues.

### Tips:

Always ensure that you institute anonymous submissions when setting up your Assignment activity at the beginning of the process, as it will not function once an assignment has been received.
