

Download all submissions in a group

An example of downloading selected submissions in Assignment

Overview:

This guide will show you how to download submissions in a group within the Assignment activity.

What to know:

The downloading of submissions within a group will provide the user with the flexibility to filter out submissions by specific groups within their module, if they have groups setup and applied within

Step 6: Downloading the submissions

Now go down to the 'With selected' drop-down menu click on the 'Download selected submissions' and then click 'Go' you will now download all of the submissions within the selected group.

The screenshot shows a student record for 'SS Sandbox Student' with email 'sdstudent3@invalid.noemail'. The status is 'Submitted for grading' and the group is 'group1'. Below the record, there is a 'With selected...' dropdown menu. The dropdown menu is open, showing options: 'Lock submissions', 'Unlock submissions', 'Download selected submissions' (highlighted with a red box), 'Remove submission', 'Grant extension', and 'Send feedback files'. To the right of the dropdown is a 'Go' button (also highlighted with a red box). Below the dropdown menu, there is an 'Options' section with 'Assignments per page'.
