

Download all submissions in a group

An example of downloading selected submissions in Assignment

Overview:

This guide will show you how to download submissions in a group within the Assignment activity.

What to know:

The downloading of submissions within a group will provide the user with the flexibility to filter out submissions by specific groups within their module, if they have groups setup and applied within

Step 6: Downloading the submissions

Now go down to the 'With selected' drop-down menu click on the 'Download selected submissions' and then click 'Go' you will now download all of the submissions within the selected group.

The screenshot shows a submission management interface. At the top, a student record is displayed with a checkmark, a blue circle containing 'SS', the name 'Sandbox Student', the email 'sdstudent3@invalid.noemail', the status 'Submitted for grading', and the group 'group1'. Below this, a blue button with the number '1' is visible. In the lower section, a dropdown menu is open, showing options: 'Lock submissions', 'Unlock submissions', 'Download selected submissions', 'Remove submission', 'Grant extension', and 'Send feedback files'. The 'Download selected submissions' option is highlighted with a red box. To the left of the dropdown is a 'With selected...' dropdown menu, also highlighted with a red box. To the right of the dropdown menu is a blue 'Go' button, also highlighted with a red box. Below the dropdown menu, the 'Options' section is visible, with 'Assignments per page' set to 'All'.
