

Enable Turnitin in an assignment

The screenshot shows a Turnitin report for a document titled 'example 4.docx' by 'Yexiang Wu'. The report interface includes a preview of the document content, a sidebar with various icons, and a main panel displaying a list of similarity matches. The list shows the following results:

Source	Percentage
www.coursehero.com Internet Source	100%
Submitted to Ayrshire ... Student Paper	89%
Submitted to Moreton ... Student Paper	89%
Submitted to St Edmun... Student Papers - 6 papers	87%
Submitted to The Unive... Student Paper	87%
Submitted to Highbury ... Student Paper	85%
Submitted to University... Student Paper	85%
Submitted to Aberdeen... Student Paper	85%
Submitted to A.B. Pater... Student Paper	83%
Submitted to University... Student Paper	77%

An example of the Turnitin report

Overview:

This guide will show you how to enable the Turnitin function to check students submission plagiarism.

What to know:

You should enable the Turnitin earlier before students making submissions. Or the previous submissions will not be checked by the Turnitin.

Except the Assignment activity, we have some other activities which have the Turnitin function such as Coursework, Forum, Workshop, .Etc.

Table of Contents

[Step 1: Find and click the activity](#)

[Step 2: Open the setting page](#)

[Step 3: Enable the Turnitin](#)

[Step 4: Save the setting](#)

Step 1: Find and click the activity

Click the activity which has Turnitin function. (Here, we will take "Assignment" as an example.)
