

# Enable Turnitin in an assignment

An example of the Turnitin report

## Overview:

This guide will show you how to enable the Turnitin function to check students submission plagiarism.

## What to know:

You should enable the Turitin earlier before students making submissions. Or the previous submissions will not be checked by the Turnitin.

Except the Assignment activity, we have some other activities which have the Turnitin function such as Coursework, Forum, Workshop, .Etc.
