An example of "Hide grader" from students view

## Overview:

This guide will show you how to hide grader identity to students.

## What to know:

Some teachers or non-editing teachers might have the needs to hide their information to students when mark their work. Assignment has a setting for you to achieve it.

## Table of Contents

[Step 1: Find the assignment activity](#)

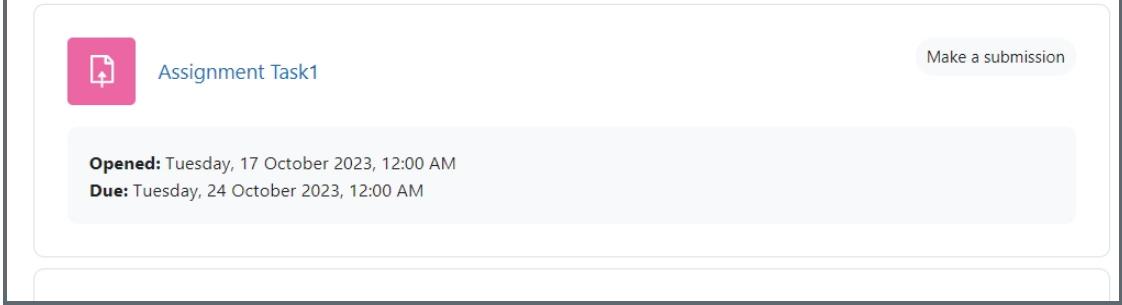

[Step 2: Go to the assignment setting page](#)

[Step 3: Enable the function of hiding grader identity](#)

### Step 1: Find the assignment activity

Please go to the module page first, then open the assignment activity.

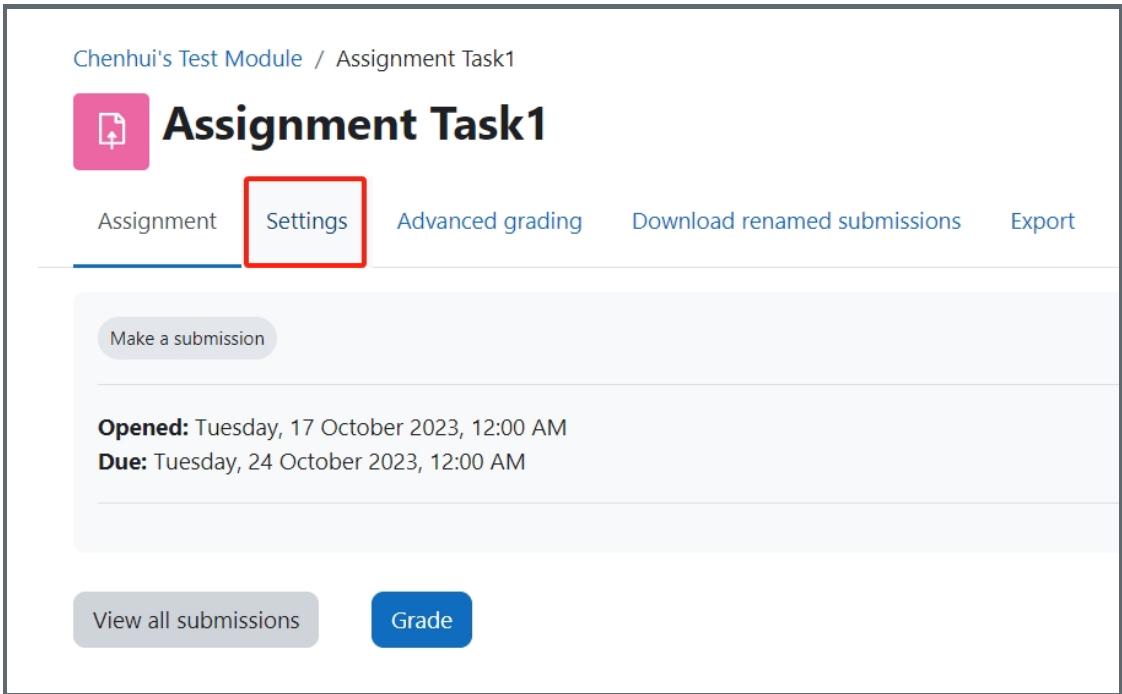

## ▼ Topic 2

This screenshot shows the assignment information page for 'Assignment Task1'. At the top, there is a pink icon with a document and a plus sign, followed by the text 'Assignment Task1'. To the right is a button labeled 'Make a submission'. Below this, a grey box contains the text 'Opened: Tuesday, 17 October 2023, 12:00 AM' and 'Due: Tuesday, 24 October 2023, 12:00 AM'.

### Step 2: Go to the assignment setting page

On the assignment information page, click the setting tab to open the setting page:

This screenshot shows the 'Assignment Task1' settings page. The title 'Assignment Task1' is at the top, with a pink icon to its left. Below the title, there are several tabs: 'Assignment' (underlined in blue), 'Settings' (which is highlighted with a red box), 'Advanced grading', 'Download renamed submissions', and 'Export'. A 'Make a submission' button is located above the 'Settings' tab. Below the tabs, the 'Opened' and 'Due' dates are displayed again. At the bottom, there are two buttons: 'View all submissions' and a blue 'Grade' button.

### Step 3: Enable the function of hiding grader identity

On the Settings page, please scroll to find the category of Grade in the list, then change the option "Hide grader identity from students" to "Yes".

## ▼ Grade

Grade

Some grades have already been awarded, so the grade type cannot be changed. If you wish to change the maximum grade, you must first choose whether or not to rescale existing grades.

Type Point

Rescale existing grades

? Choose

Maximum grade

100

Grading method

Simple direct grading

Grade category

Uncategorised

Grade to pass

0.00

Anonymous submissions

No

Hide grader identity ?  
from students

Yes

### Tips:

You can also set it when you are creating a new assignment. In fact, even when the marking started, you can still change this setting.
