

Coursework - Remove grades and feedback

An example of the Remove button

Overview:

This guide will show you how to remove grades and feedback when there's something wrong with the marking before the grades are released to students.

What to know:

Assessors can remove their own grades and feedback, and Module leaders have the permission to remove any feedbacks, including other teachers' feedbacks. If the grades are released, it will be not possible to remove/change any grades.

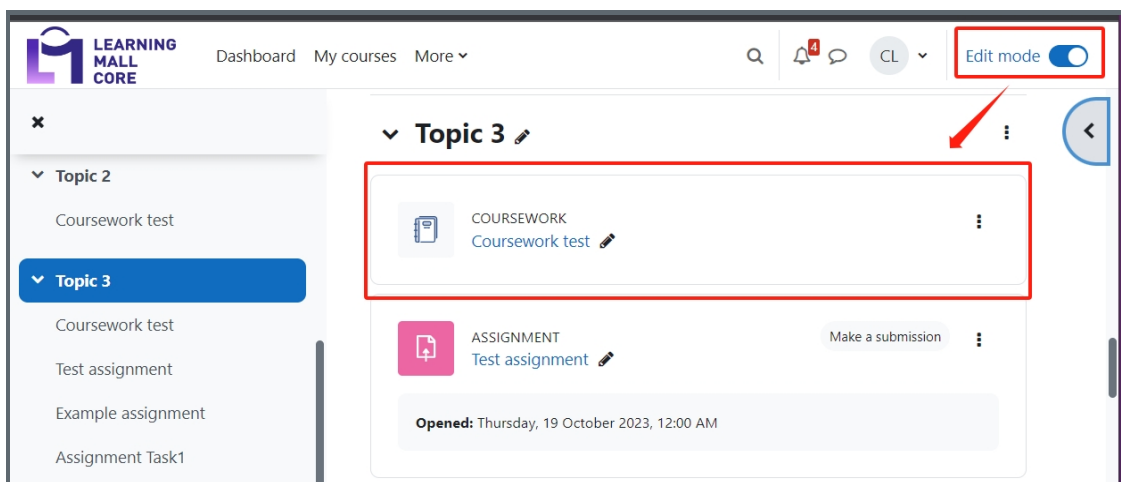

Table of Contents

[Step 1: Find the Coursework activity](#)

[Step 2: Remove the grade and feedback](#)

Step 1: Find the Coursework activity

Please go to your module page, enable Edit mode, and then find the coursework activity you want to change the setting, click it to view the submission details:

Step 2: Remove the grade and feedback

Find the grade you are working on or some grades need to be deleted (module leaders can help to delete others' grading), click the pencil icon:

First name / Last name Email	ID number	Status	Filename / File ID	Submission date	Agreed grade
Sandbox Student 1 sdstudent1@invalid.noemail		Ready to grade	Sample Coursework File.pdf X1efbd037	Tue, 24 Oct 2023, 14:14 (ON TIME) Extension: Tue, 24 Oct 2023, 14:25	
Sandbox Student 2 sdstudent2@invalid.noemail		Graded by all of the initial assessors	Sample Coursework File.pdf X3ba142d2	Tue, 24 Oct 2023, 14:19 Late (0d, 0hr, 9min, 9sec)	Add final feedback

Allocated to Assessor	Grade	Date
Chenhui Li	91	Tue, 31 Oct 2023, 11:25
Ping Zhang	95 View feedback	Tue, 31 Oct 2023, 11:31

Click the "Remove feedback" button to remove all the grades and feedback. (If you just want to edit or remove the comment, you can change it on the comment box.)

You can drag and drop files here to add them.
