An example of personal deadline

Overview:

This guide will show you how to set personal deadlines for the Double-marking Assignment activity.

What to know:

Only module leaders or whom has the permission can set the personal deadlines.

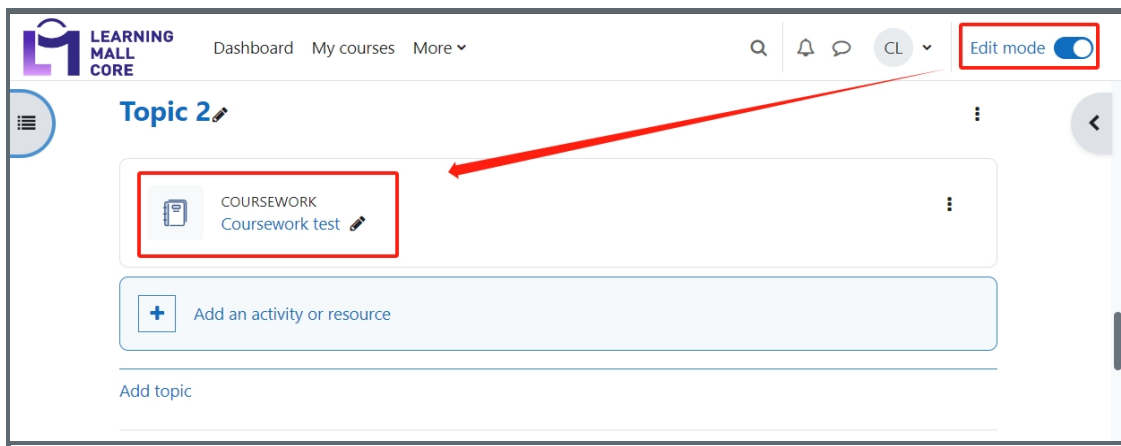

Table of Contents

- Step 1: Find the Double-marking Assignment activity
- Step 2: Open the editing page
- Step 3: Change the setting
- Step 4: Edit the personal deadline

Step 1: Find the Double-marking Assignment activity

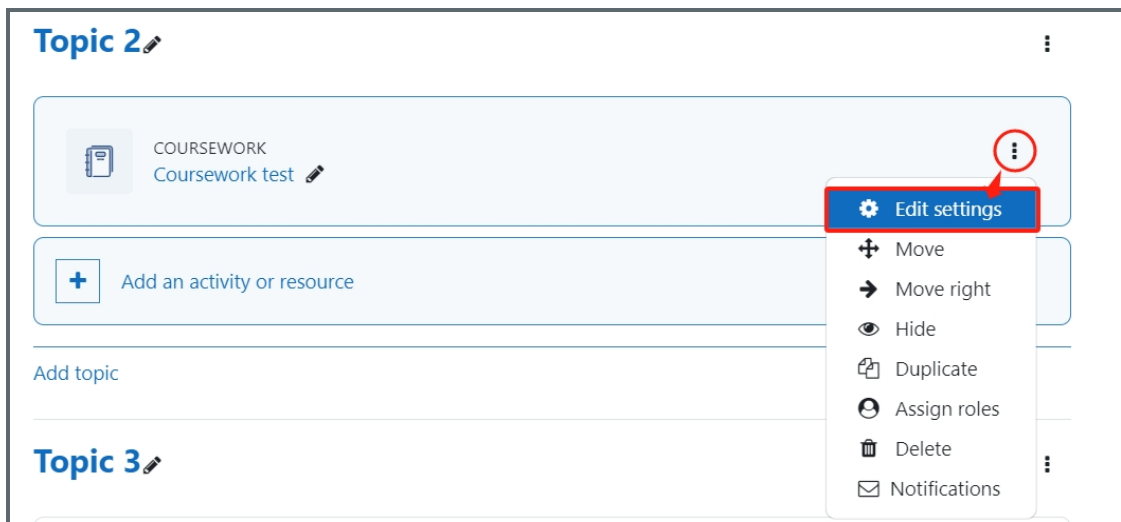

Please go to your module page, and enable the Edit mode, and then find the Double-marking Assignment activity you want

to change the setting:

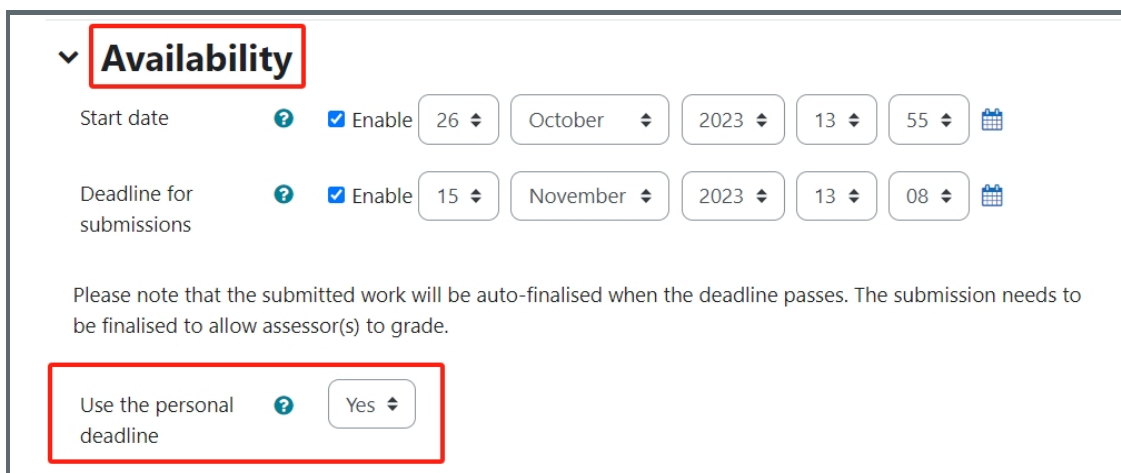

Step 2: Open the editing page

Click the "edit"->"Edit settings"

Step 3: Change the setting

In the Availability section, please set " *use the personal deadline* " to be "Yes".

Please save the settings. Now, we can start to set the different deadlines for the students.

Step 4: Edit the personal deadline

On the Double-marking Assignment page, you will see a column named “*Personal deadline*” and you can click the pencil icon to change every student’s personal deadline:

First name / Last name Email	ID number	Personal deadline	S
 Sandbox Student 1 sdstudent1@invalid.noemail		Wed, 15 Nov 2023, 13:08 	R (r)

In the edit box, please change the time and date as the new deadline for this student:

15-11-2023 13:08

Please remember to click Check mark after you finish.

Tips:

You can also change the deadlines by:

Deadlines

Deadline for submissions

This is the default deadline that will be used if personal deadline was not specified.

Wed, 15 Nov 2023, 13:08

Late submissions are not allowed.

Once the personal deadline passes the submission will autofinalise and no edits can be made.
