Double-marking Assignment - Use personal deadlines

An example of personal deadline

Overview:

This guide will show you how to set personal deadlines for the Double-marking Assignment activity.

What to know:

Only module leaders or whom has the permission can set the personal deadlines.

Table of Contents

Step 1: Find the Double-marking Assignment activity

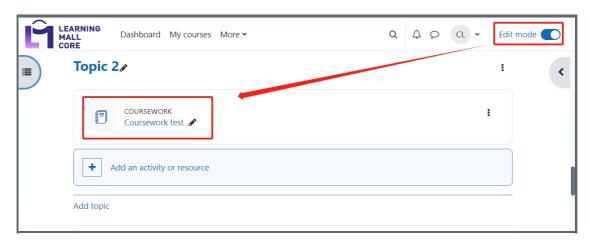

Step 2: Open the editing page Step 3: Change the setting

Step 4: Edit the personal deadline

Step 1: Find the Double-marking Assignment activity

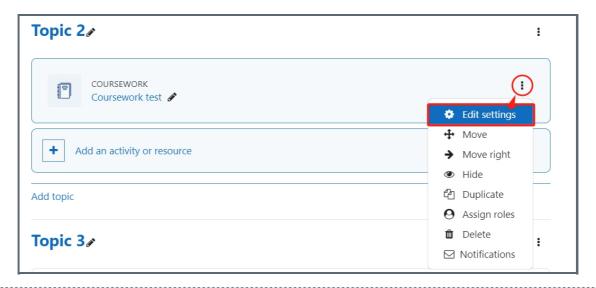

Please go to your module page, and enable the Edit mode, and then find the Double-marking Assignment activity you want

to change the setting:

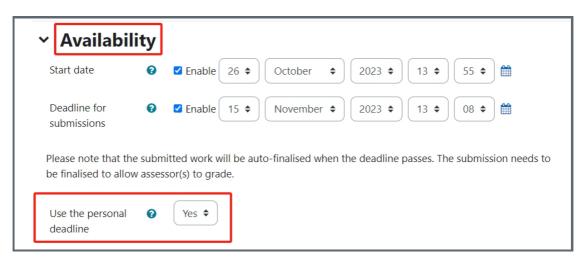

Step 2: Open the editing page

Click the "edit"->"Edit settings"

Step 3: Change the setting

In the <u>Availability</u> section, please set " *use the personal deadline*" to be "Yes".

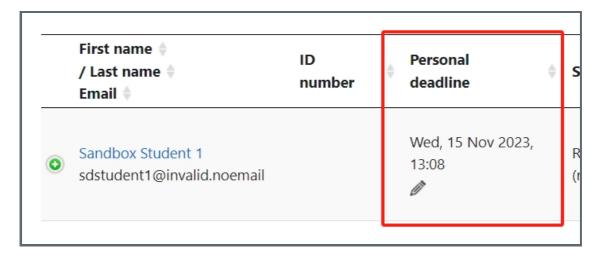

Please save the settings. Now, we can start to set the different deadlines for the students.

Step 4: Edit the personal deadline

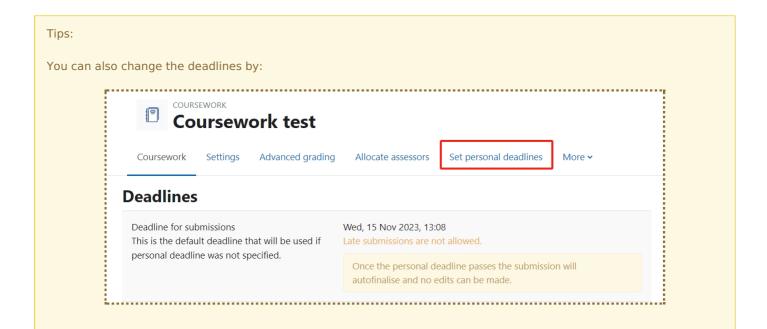

On the Double-marking Assignment page, you will see a column named "Personal deadline" and you can click the pencil icon to change every student's personal deadline:

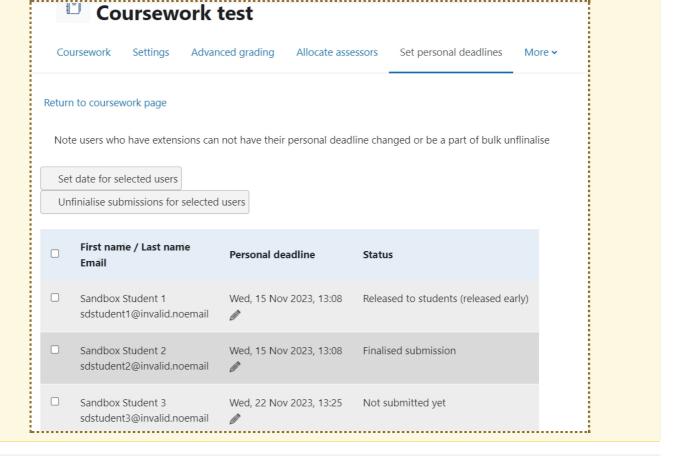

In the edit box, please change the time and date as the new deadline for this student:

Please remember to click Check mark after you finish.
