

Move questions into another category

Overview:

This guide will show you how to move questions into another category in the Question Bank.

What to know:

Categories in the Question Bank is aimed at sorting questions into groups.

Table of Contents

[Step 1: Click the 'Editing' icon](#)

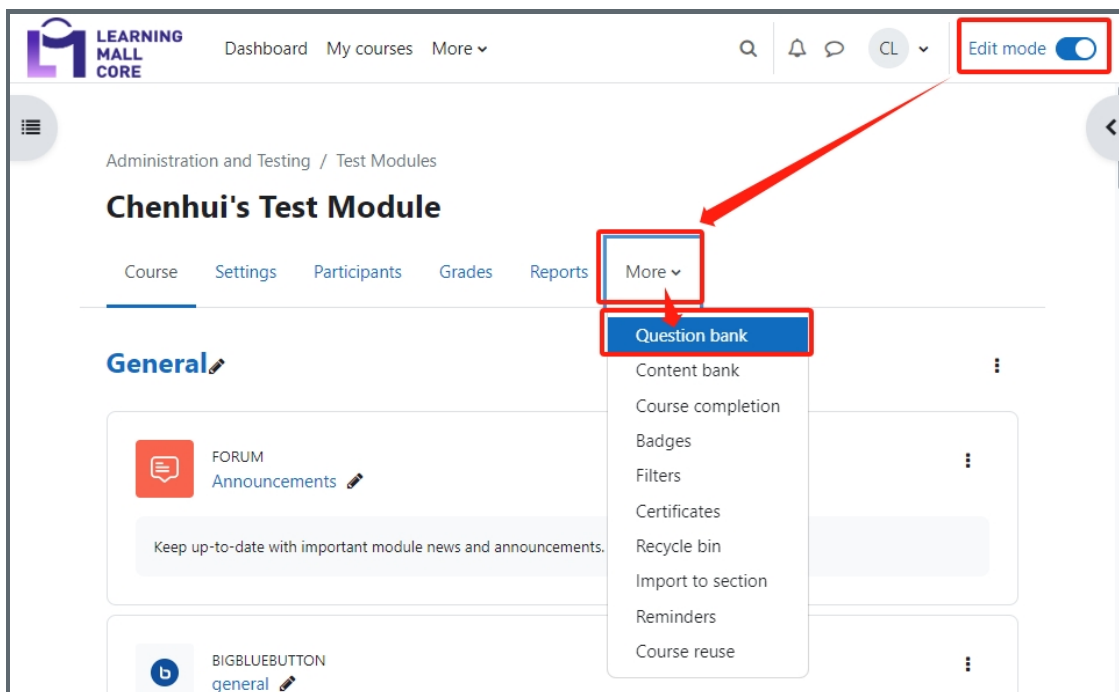

[Step 2: Select the questions that you want to move](#)

[Step 3: Move questions into a selected category](#)

[Step 4: Review questions in the new category](#)

Step 1: Click the 'Editing' icon

1. Enable the 'Edit mode' icon on the top right of the module page.
2. Click the 'More...' option on the module-level menu bar.
3. Click the 'Question bank' in the dropdown menu.

Step 2: Select the questions that you want to move

In the list of questions, tick the box(es) in front of the question(s) to choose the question(s).
