Additional resource - Enable Completion tracking on the module

241 Yexiang Wu Thu, Feb 1, 2024 Level up, Module management 23678 0

An example of Completion Tracking

Overview:

This guide will show you how to enable the completion tracking on your module.

Please refer to the Level-up information portal for an example of the tool and best practices.

What to know:

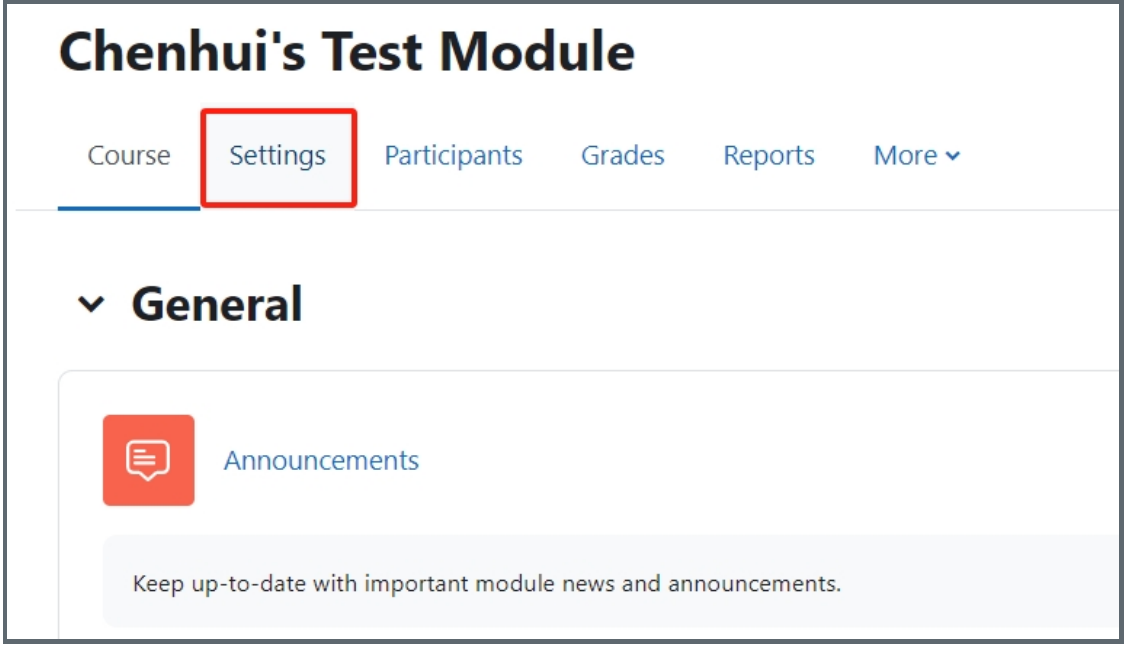

Completion tracking can be enabled or disabled by teachers. Students will see a tick after the activity if their action meets the requirements, such as watched the video.

Enabling Completion Tracking will also help Level-Up to track student activities:

Table of Contents

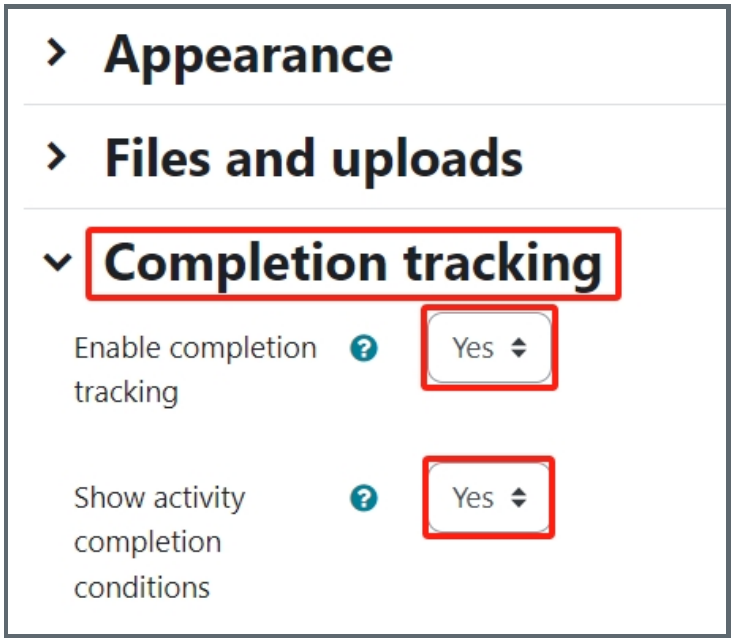

Step 1: Go to the module area setting page
Step 2: Enable Completion Tracking.
Step 3: Save

Step 1: Go to the module area setting page

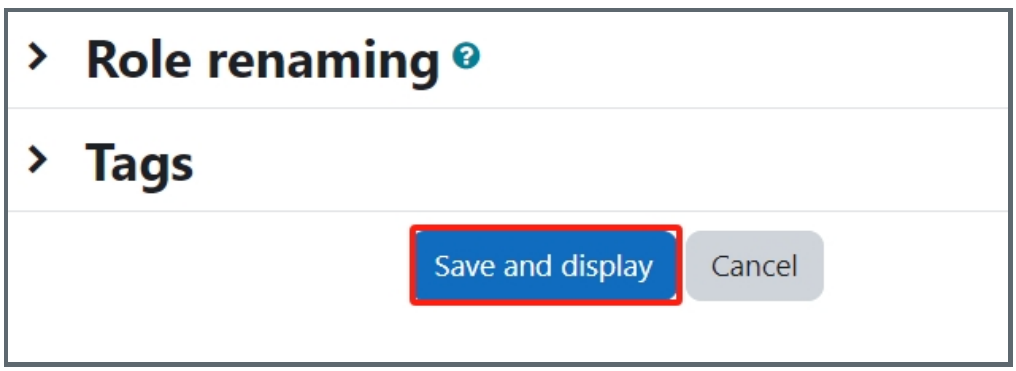

Step 2: Enable Completion Tracking.

Scroll-down to the relevant settings tab and enable 'Completion Tracking' and 'Show activity completion conditions'

Step 3: Save

Click the button to save the changes.
