Step 1 - Add the level up Block

242 Yexiang Wu Thu, Feb 1, 2024 Level up 40017 0

An example of level-up block

Overview:

This guide will show you how to add the level-up block to your module page. Please refer to the Level-up information portal for an example of the tool and best practices.

What to know:

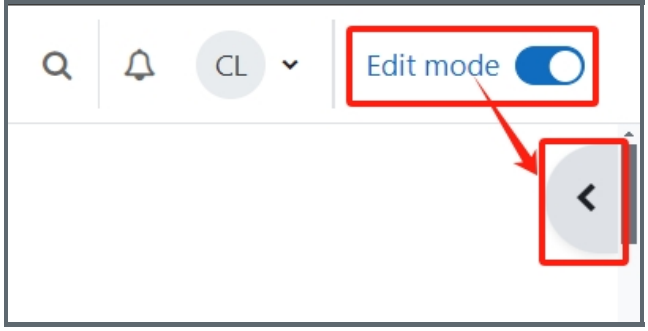

Level-up is a function of block which you may not be able to find on the activity list.

Table of Contents

Step 1: Turn editing on
Step 2: Add a Level-Up block

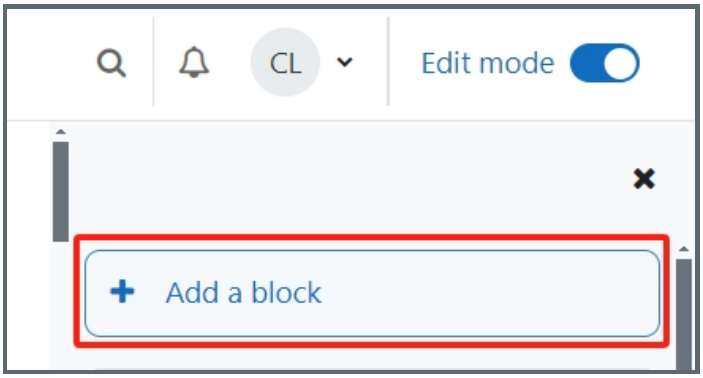

Step 1: Enable 'Edit mode'

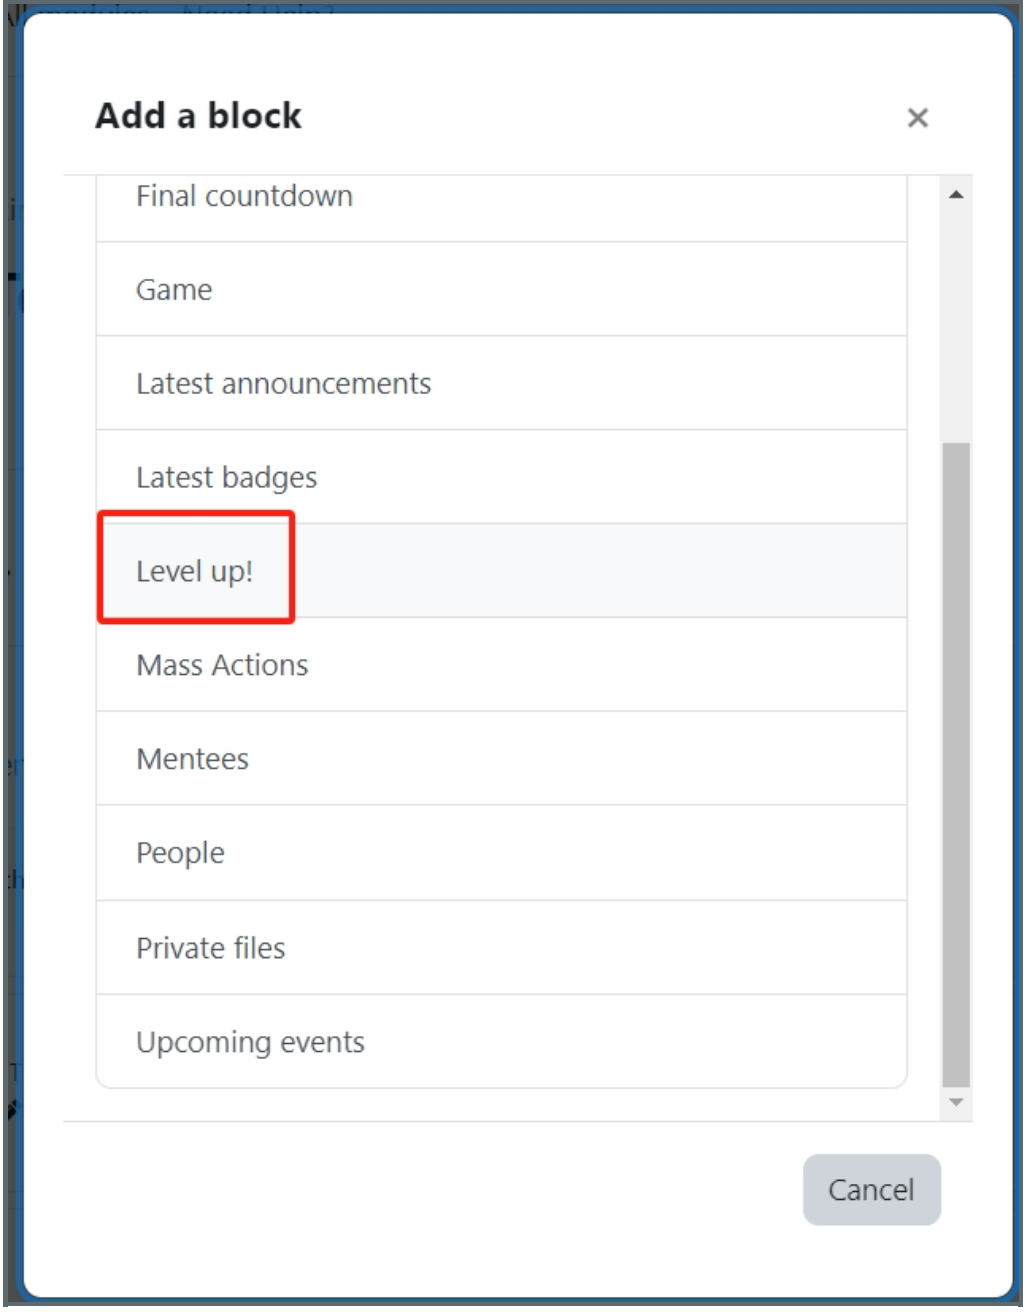

1. Enable 'Edit mode' in the top right corner.
2. Open 'Block drawer'

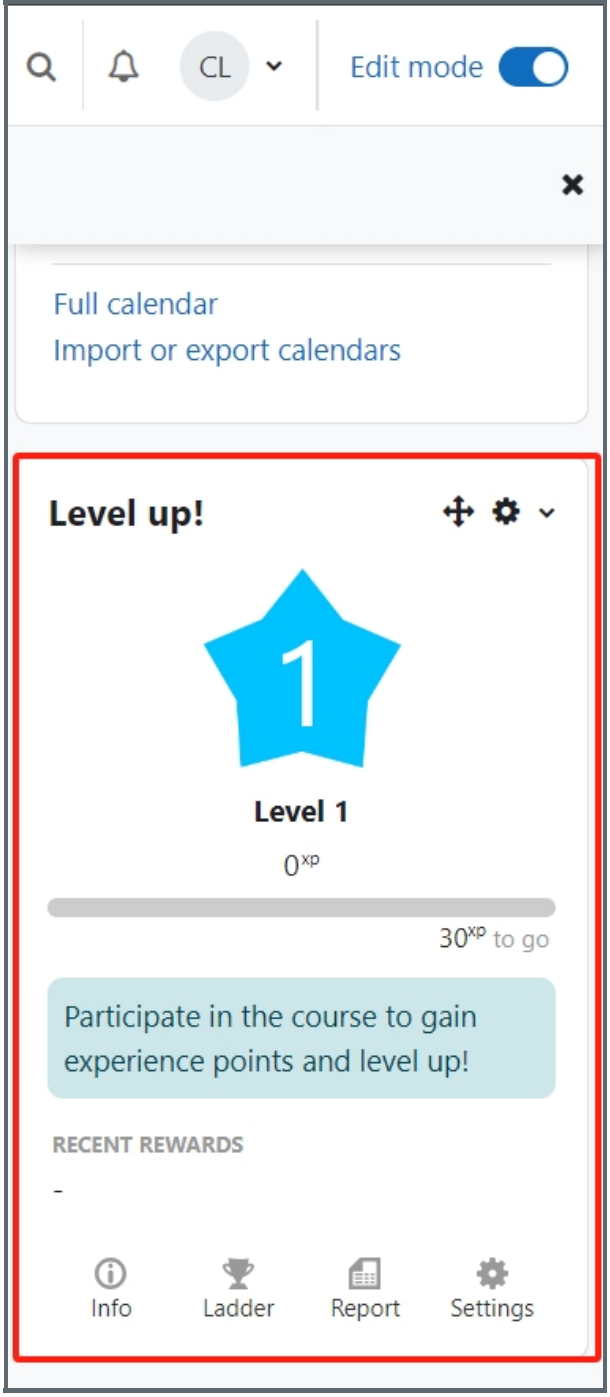

Step 2: Add a Level-Up block

On the right side of the module page, there should be a block called "Add a block". Please click the button and add the "Level up" block to your module.

Cancel

Basic steps about using Level-Up to gamify your page:

1. Enable Completion tracking on the module
2. Add the level up Block
3. Define activity Completion
4. Define the levels in level up setting
5. Create badges - Level up
6. Define Experience Point rules - Level Up
