Double-marking Assignment - How to show all the students submission

248 Knowledge Base Administrator Tue, May 26, 2026 Double-marking Assignment 24948 0

An example of a submission list not allocated to you

Overview:

This guide will show you how to view other submission informations which are not allocated to you.

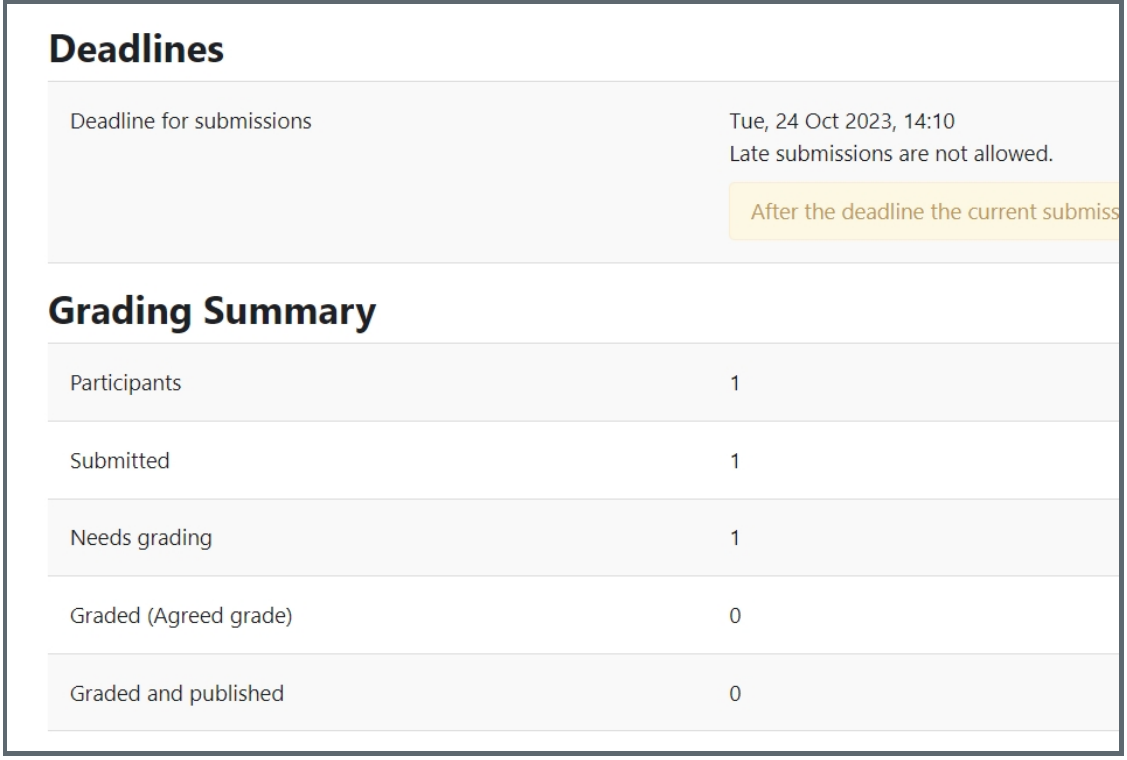

What to know:

If the Double-marking Assignment uses multiple assessors, usually only the module leader can view all the submissions. Other teachers can only see the submissions which are allocated to them. But there's a way to show the other submission status too. However, the information you see doesn't include the submitted files.

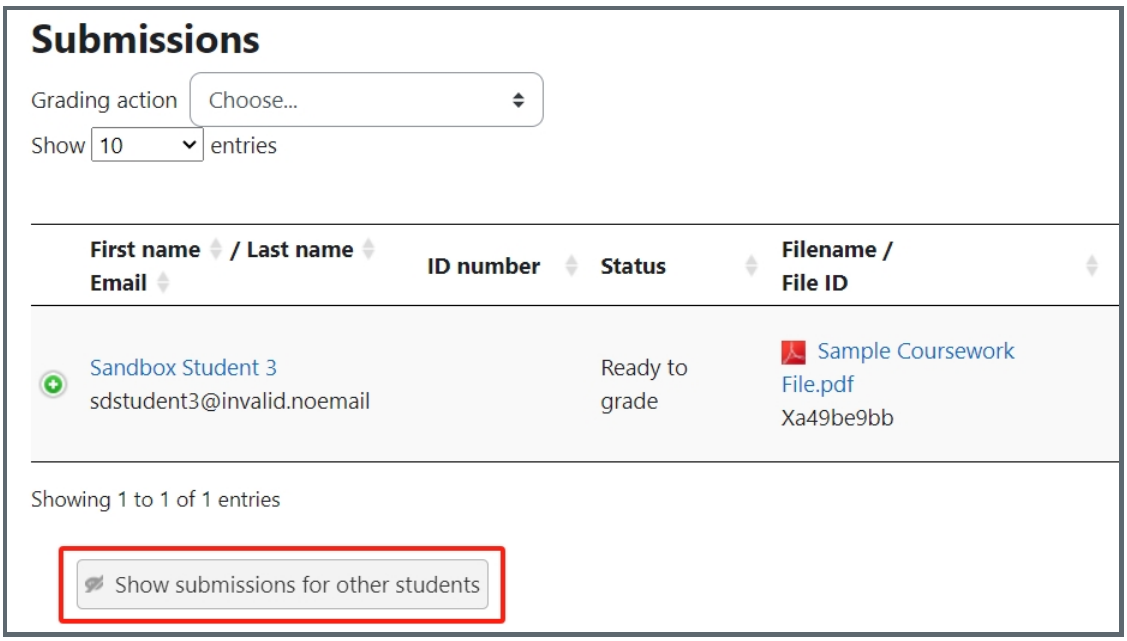

Table of Contents

Step 1: Go to the Double-marking Assignment submission page
Step 2: Scroll down and click to unhide other submissions
Step 3: Hide the other submissions

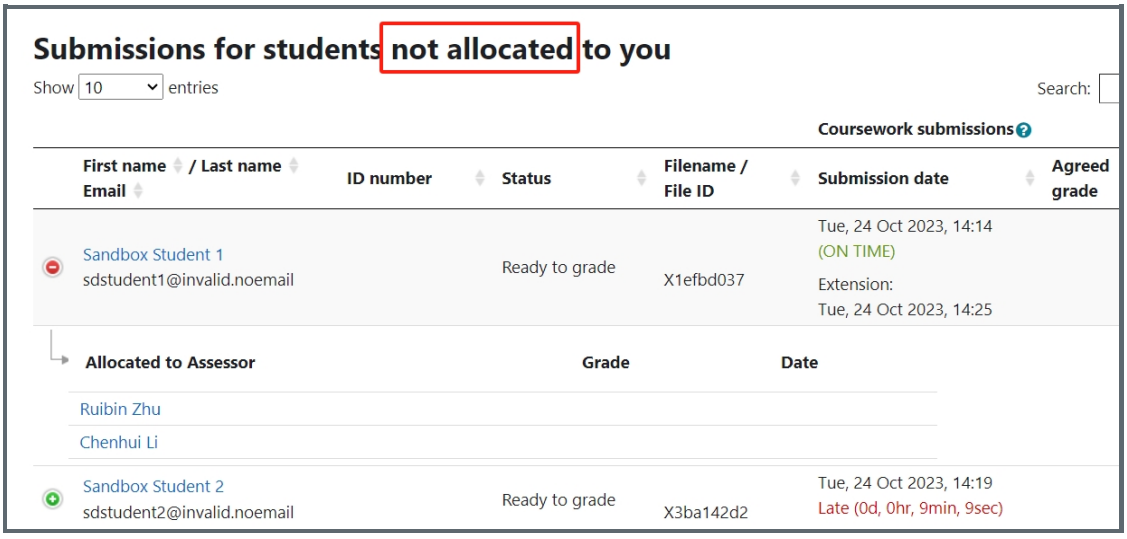

Step 1: Go to the Double-marking Assignment submission page

Step 2: Scroll down and click to unhide other submissions

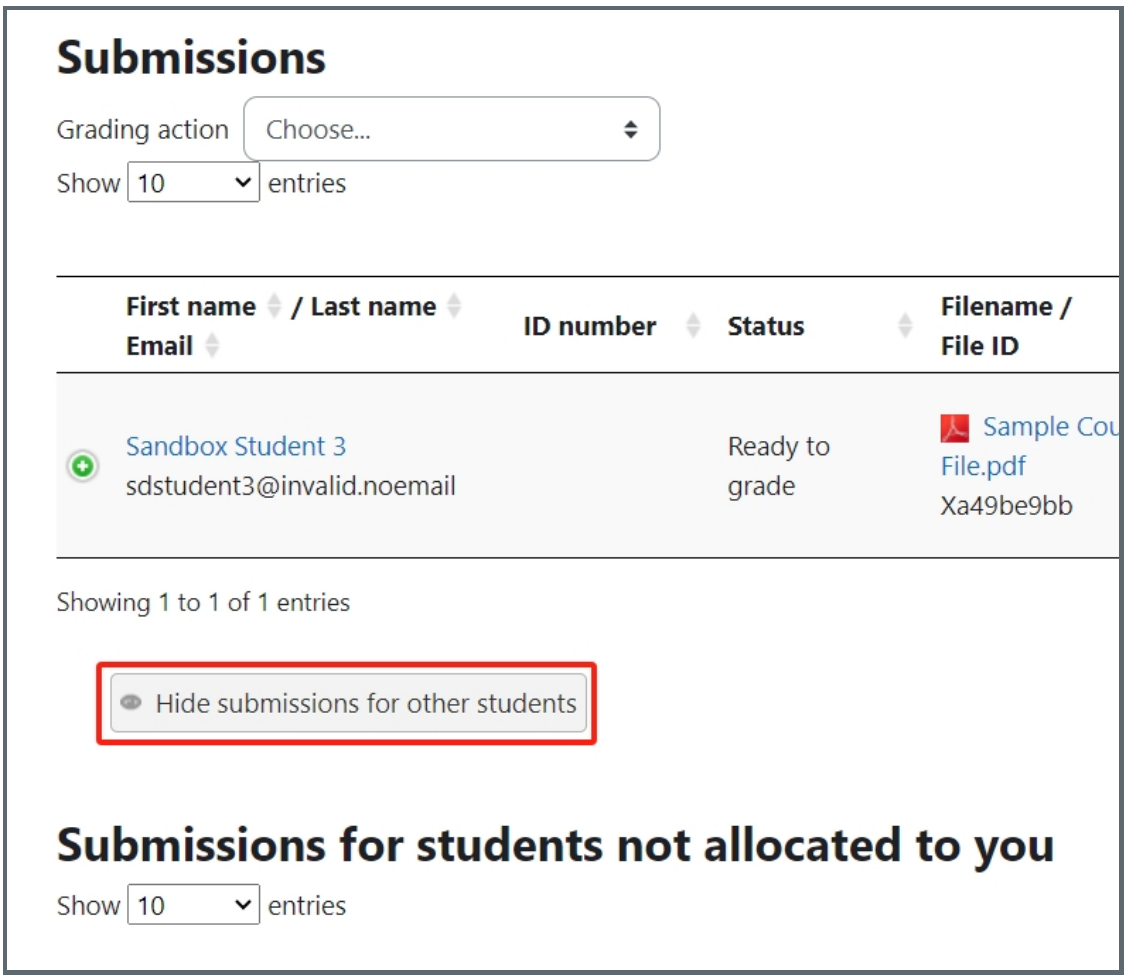

Now you will be able to see the other submission details (files are still not visible):

Step 3: Hide the other submissions

Please click the button to hide the other submissions again:
