An example of coursework submission page

Overview:

This guide will show you how to submit in a coursework on LM Core as well as other features.

What to know:

Coursework is similar to Assignment, which allows students to submit their work. The difference is it allows several markers to mark one submission, that is not possible in an assignment activity. It is often used in Final year dissertation assessment. Teachers will choose the tool based on their own needs.

[Step 4: How to finalize the submission](#)

Step 1: Submit your articles

Submitting in a coursework is as simple as what you do in the assignment activity, although the interface may look a little different.

Please click the coursework activity as your teacher told you:

Step 2: Upload your submissions

Now, you can click "Upload your submission" to submit your assignment.

Upload your submission

1. On the uploading page, firstly, drag and drop the file into the box, or you can click the above file shape icon to upload.
2. Then you need to read and agree to the terms.
3. Finally, click the "Submit and finalize" or "Submit" button on the bottom to submit your work. (The buttons you see may be different from the following example, it depends on how teachers set it.)

Upload your submission

Finalising your submission notifies assessors that it is ready for grading. It will not be possible to edit your submission again once it is finalised.

Submit Submit and finalise Cancel

If you click this button, your submission will be auto finalized after the due date. Before that, you can always come back to make a change.

If you click this button, you will not be able to edit the submission once it is submitted.

Step 3: How to make a change

If you didn't finalise the submission, you will be able to edit the submission before the due date.

1. Click "Edit your submission" button on the submission status page:

3. Repeat the uploading process as you did on Step 2 as above.

Step 4: How to finalize the submission

Generally speaking, only finalised submission will be marked by the teacher. If your teacher allow students to finalise before the due date, you can click the buttons as below to finalise the submission yourself. However, after doing that, you will not be able to make any changes.

You can click " Submit and finalise " button when you are uploading the work:

Tips:

If you can't find any buttons to finalise which means your teacher don't allow students to finalise before the due date. All the submissions will be auto finalised after the deadline.
