## Example of Gradescope

## Overview:

This guide will show you how to upload your assignments to the Gradescope Activity.

## What to know:

Gradescope is a powerful tool that will enable you and your teachers to manage your assignments in a flexible and efficient manner.

# Table of Contents

- Step 1: Finding your Gradescope activity
- Step 2: Downloading the Assignment Template
- Step 3: Uploading Work
- Step 4: Matching Your Scans
- Step 5: Submission Complete

## Step 1: Finding your Gradescope activity

1. Go to the module page and click on the Gradescope activity.
2. When you are in the Gradescope activity click on the assignment activity.

Kenneth Simmons	Assignment 1 Group 2	Submitted	AUG 31	6 days, 21 hours left SEP 15 AT 2:00PM
	Assignment Semester 1	No Submission	SEP 01	6 days, 20 hours left SEP 15 AT 1:00PM

## Step 2: Downloading the Assignment Template

If your teacher has made the assignment available to download you will be able to download the PDF document, of which you can then use to place or create your work.

## Step 3: Uploading Work

Once you have completed your work and scanned it, you can save it as a complete 'PDF' or save the individual scans as 'JPEG'. You can now upload your assignment as either format

1. Click on your assignment once again.
2. Choose the assignment type that you would like to upload to the assignment (your lecturer might specify the document type required).
3. Find your scanned documents on your computer and click 'Open'.
4. Now Upload your assignment.

The screenshot shows the Gradescope interface for a course named "Kenny's Test Module". A modal window titled "Submit Assignment" is open, prompting the user to "Upload a PDF containing your responses to the assignment." Below this, a message from the instructor states: "Your instructor has provided a PDF to help you complete your assignment." A link "Download Assignment Semester 1 PDF" is provided. The main page lists several assignments with their due dates and submission status. The assignments are:

- Assignment 1: DUE (+08) - SEP 15 AT 2:00PM (6 days, 16 hours left)
- Assignment 2: DUE (+08) - SEP 15 AT 1:00PM (6 days, 15 hours left)
- Assignment 3: DUE (+08) - SEP 14 AT 1:00PM (5 days, 15 hours left)
- Assignment 4: DUE (+08) - SEP 10 AT 2:00PM (1 day, 16 hours left)
- Assignment 5: DUE (+08) - SEP 06 (16 hours, 22 minutes left)

The "Assignment 1" row is highlighted with a red box. The "FILE" section for this assignment shows a file named "Student 679573890001.pdf" with a "Select PDF" button. Below this are two buttons: "Upload PDF" (highlighted with a red box) and "Cancel".

## Step 4: Matching Your Scans

Now that you have uploaded your scans you can match the assignment scans to the template question structure.

1. Click on the document image then click on the 'Question Outline' on the left of your screen do this until you have matched all of the scans to the outline.
2. Now that all of the scans are matched and you are satisfied simply click the 'Submit' button'.
