An example of the Group Members activity

Overview:

This guide will show you how to create a Group Members activity.

What to know:

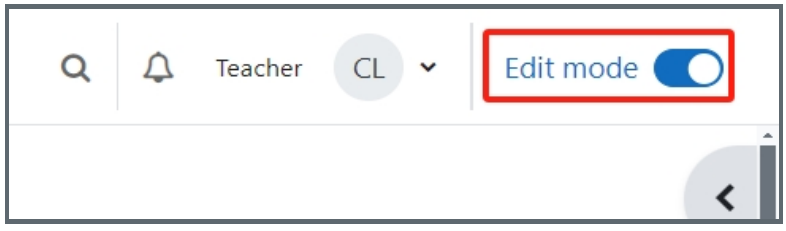

Group Member activity allows students to view the group members of their own team.

Table of Contents

Step 1: Turn on editing mode in your module area/course
Step 2: Click the 'Add an activity or resource' link
Step 3: Choose the Group Members activity
Step 4: Provide an activity name
Step 5: Setting of the Group Member activity
Step 6: Save
Step 7: Student view

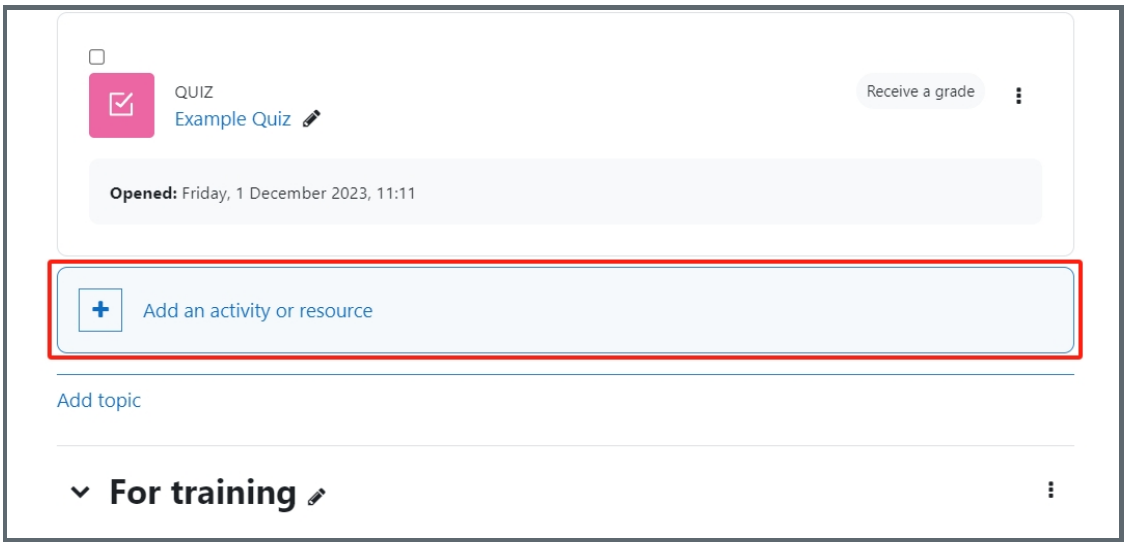

Step 1: Turn on editing mode in your module area/course

Click the 'Turn editing on' button displayed near the upper right of the module area/course.

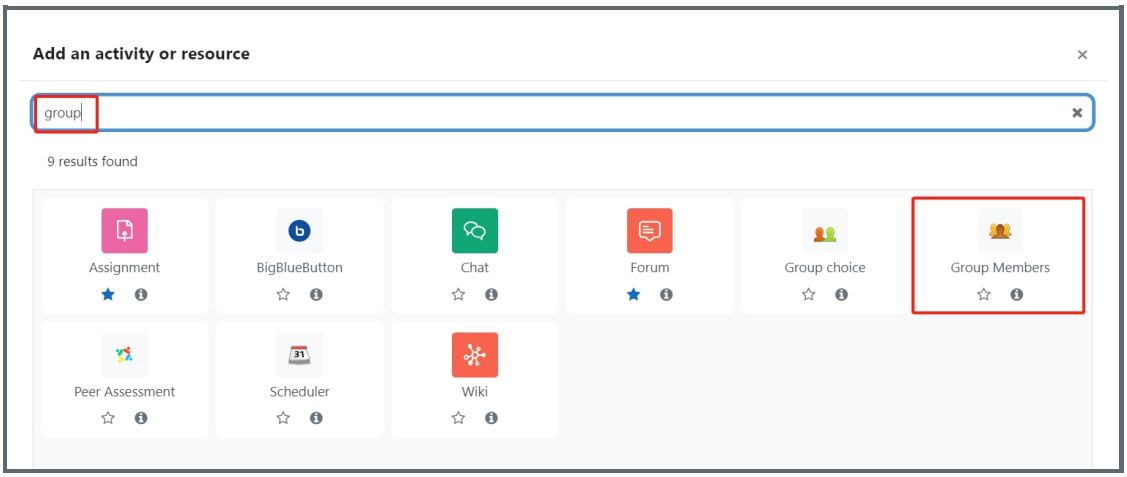

Step 2: Click the ‘Add an activity or resource’ link

1. When editing mode is turned on, navigate to the section where you want to add the [xxxx] activity.
2. Next, click the ’Add an activity or resource’ button displayed at the bottom of the section.

Step 3: Choose the Group Members activity

1. From the pop-up activity chooser window, search and select the Group Members activity.
2. Then it jumps to the setting of the activity.

Step 4: Provide an activity name

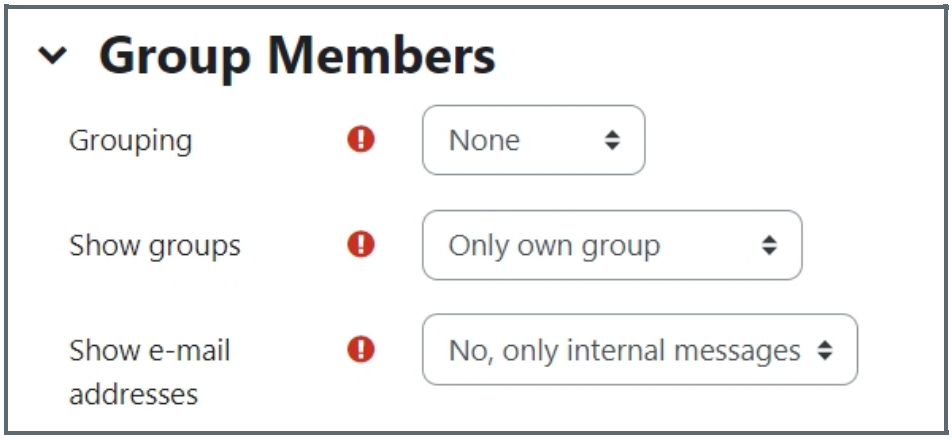

Provide a name of the Group Members

Step 5: Setting of the Group Members activity

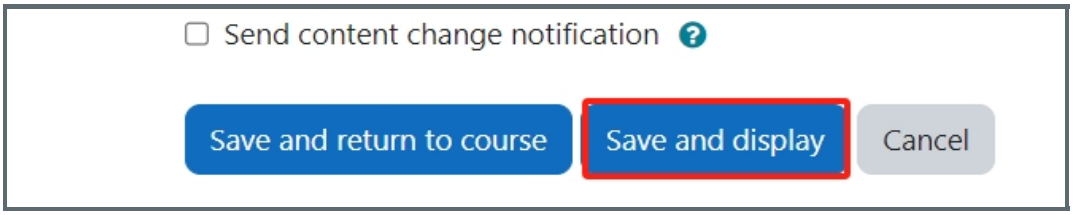

In 'Group Members' setting, please set up the followings:

1. 'Grouping' : Grouping is a collection of groups. If you use grouping for the group project, please choose the grouping you use.
2. 'Show groups' : 'All groups of grouping' -- show the group members of all students. 'Only own group' -- only show the group members of the students' own groups.

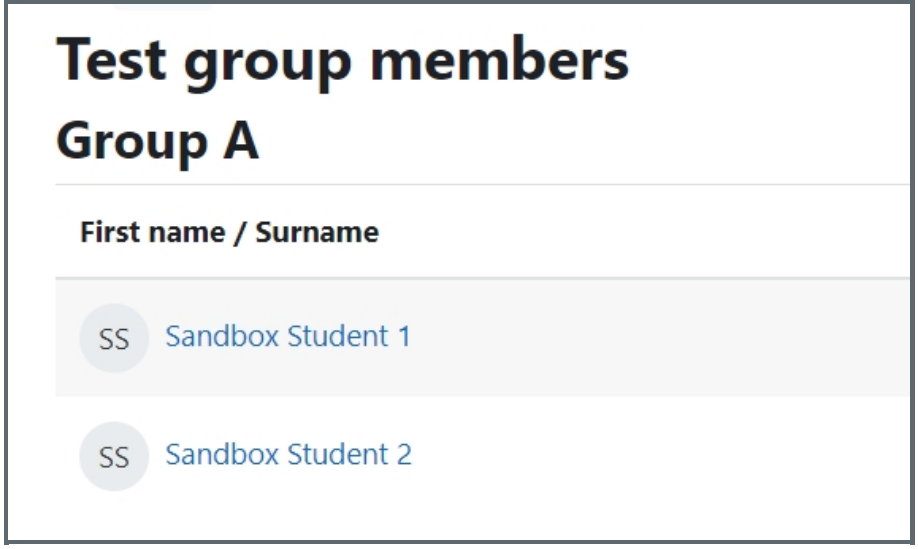

Step 6: Save

Click 'Save and display' button to save it.

Step 7: Student view

Then, when students click into the Group Member activity, they can see the group members of them.
