An example of invalid password

Overview:

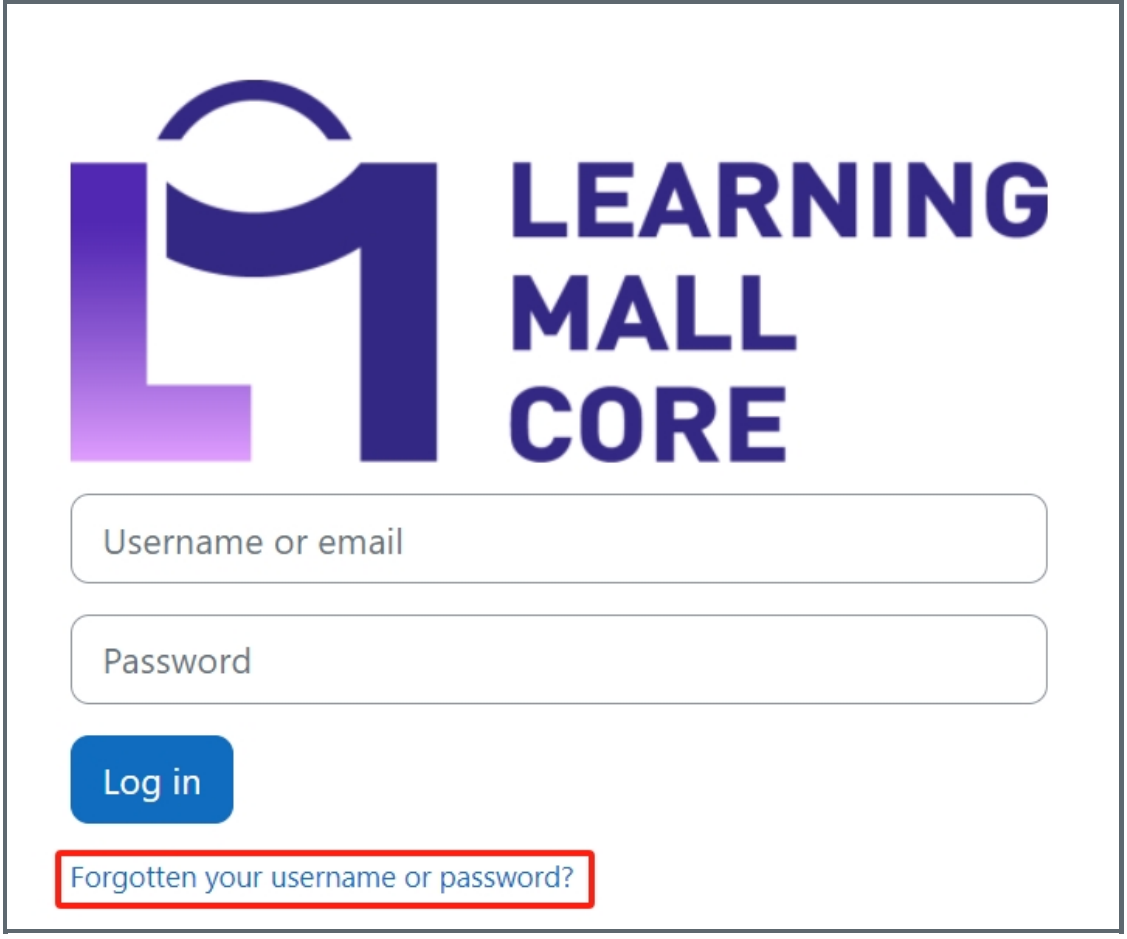

This guide will show you what to do when you want to change a password or when you forgot the password. The guide will offer ways to find password back for users whose account is a self-registered account.

" I forgot the password and can't log in to the Learning Mall Core system. What should I do?"

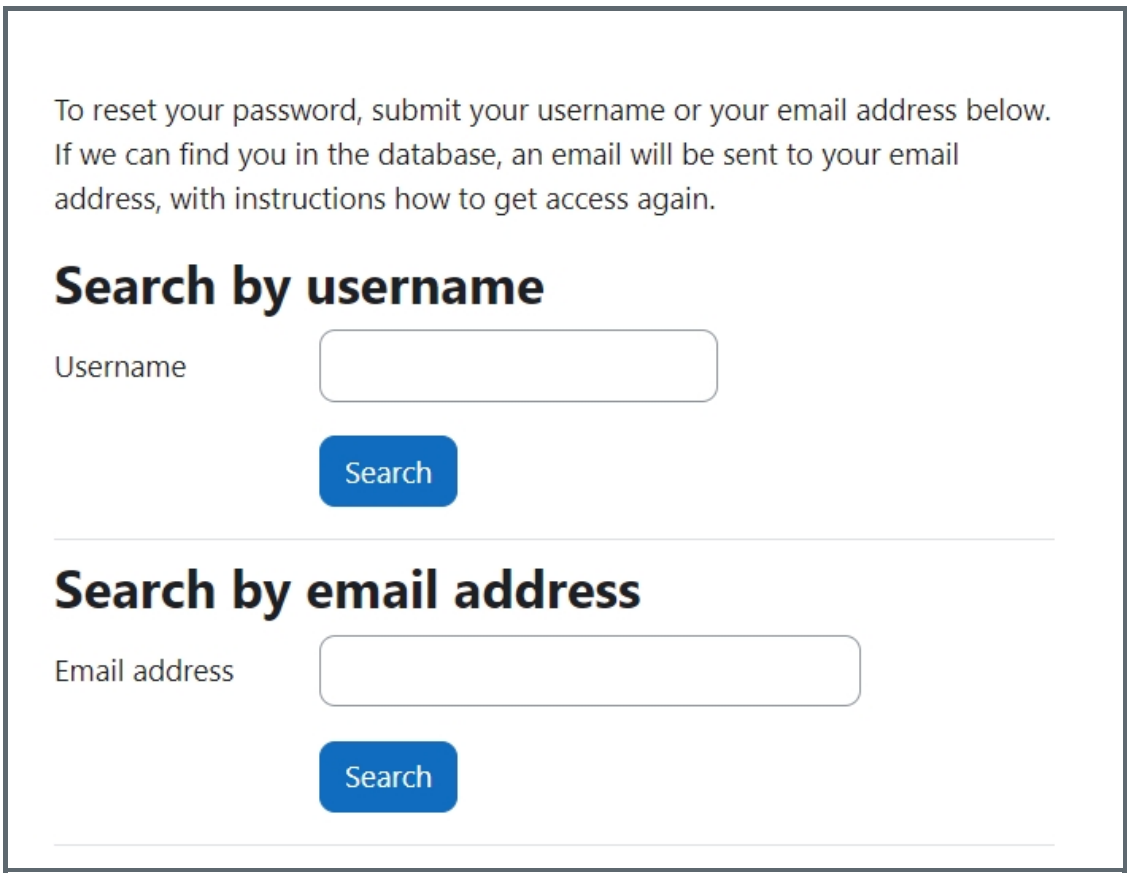

Please follow the steps below to reset the password for your external account:

Go to: https://core.xjtlu.edu.cn/login/index.php?noredirect=1&passive=off

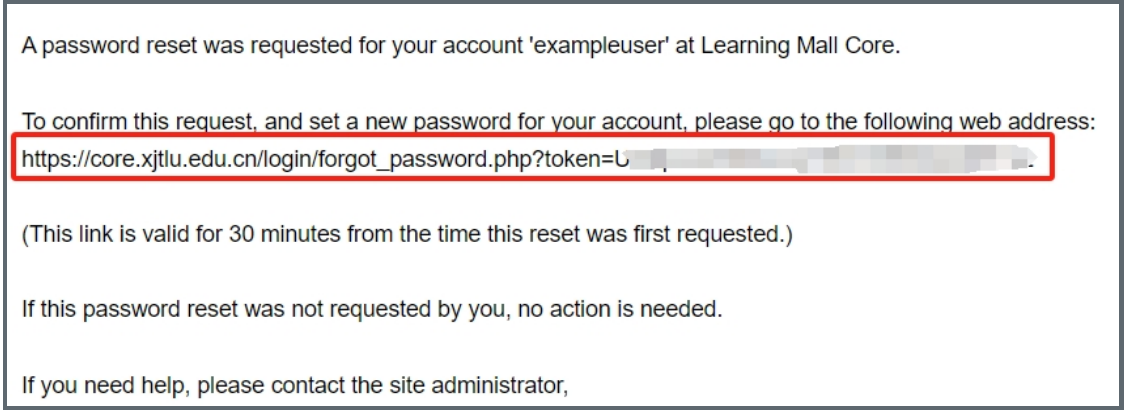

1. Click "Lost password " on the log-in page.

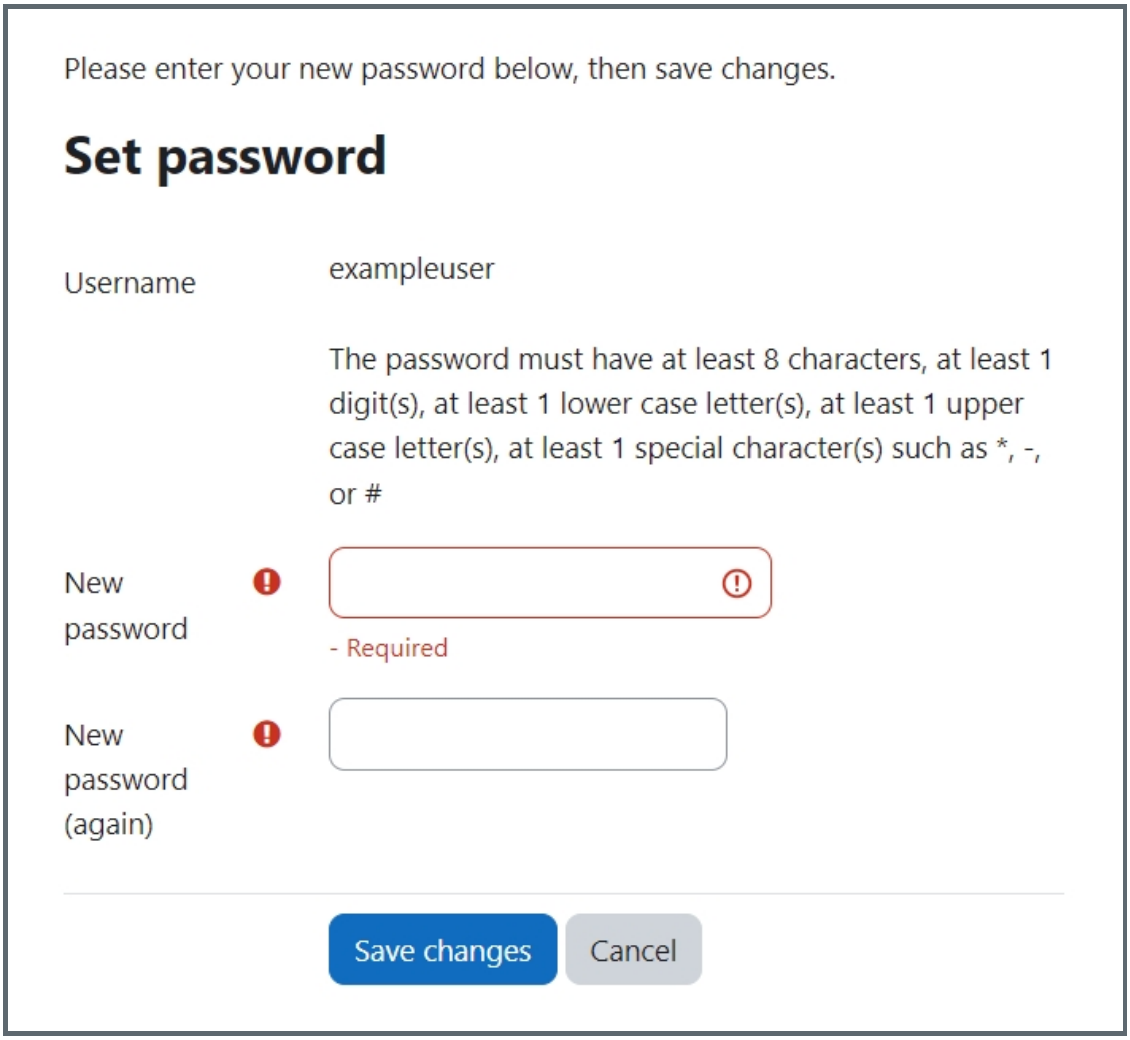

2. Type in the registered username or email into the box:

3. After the message is sent to your email, please click the link in your email to reset the password:

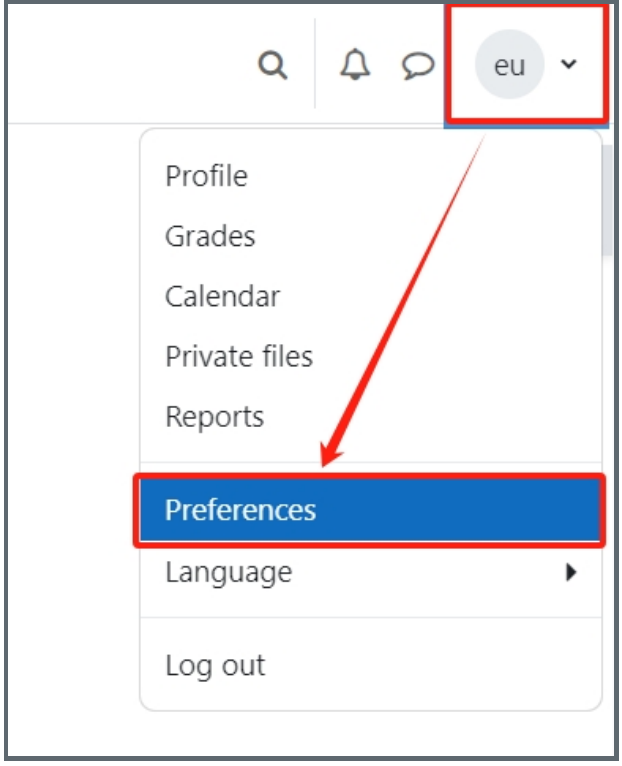

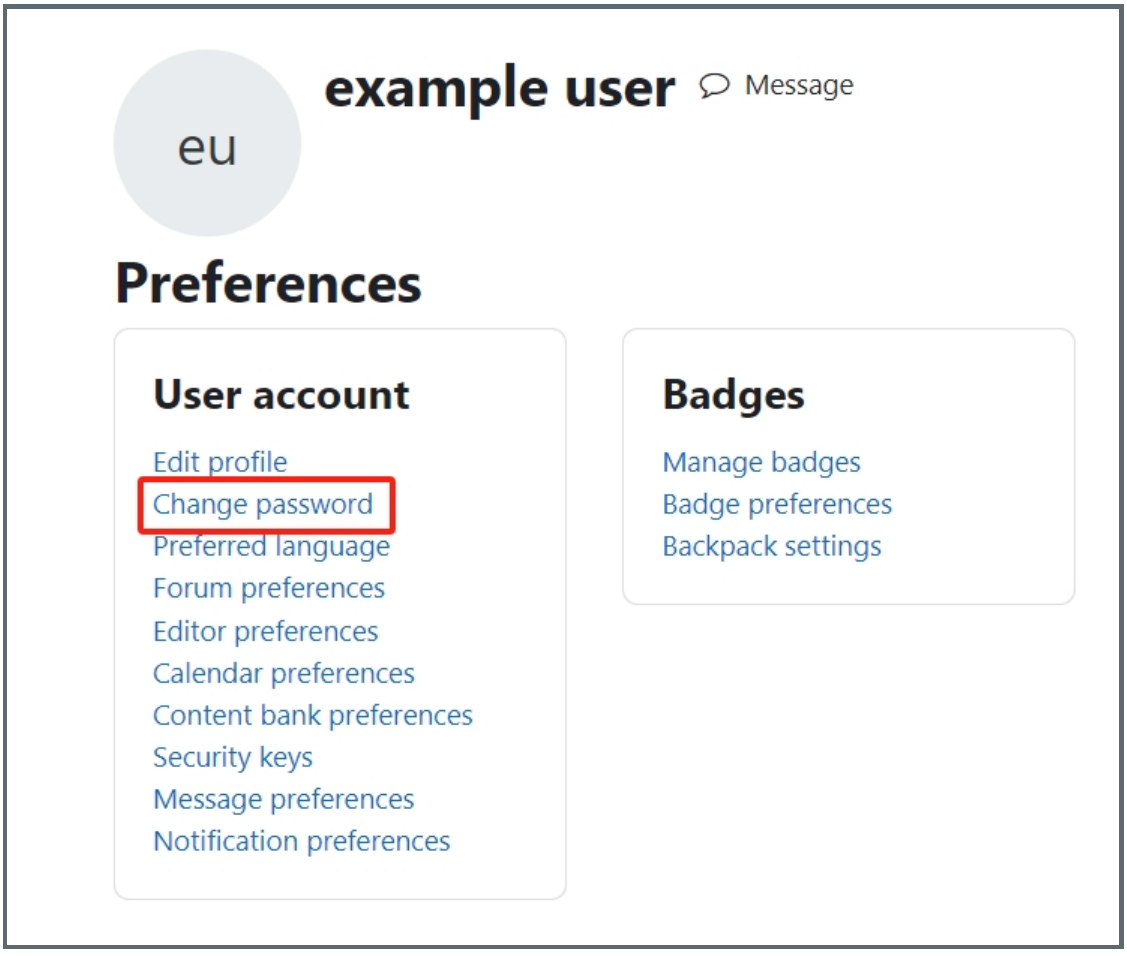

" I didn't forget the password and can log in to the Learning Mall Core system. But I want to change the password for security purposes. What should I do?"

Please change it on Learning Mall Core preference page.

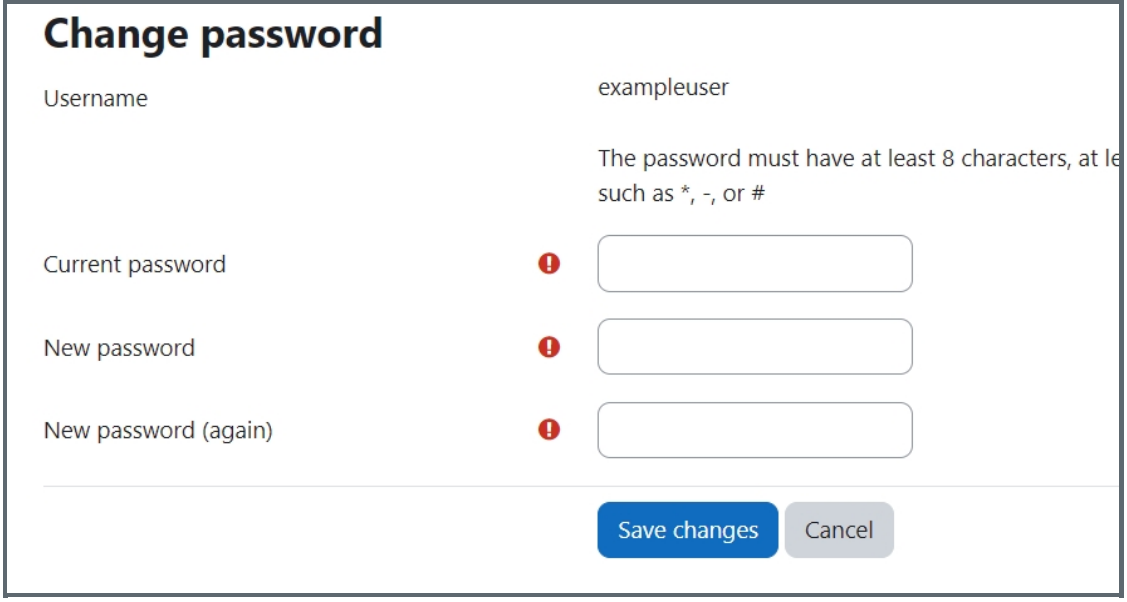

Step 1 Click your profile image and then click "Preference".

Step 2 Click "change password".

Step 3 Change the password as you like.
