# FAQ - How to change the default language in BigBlueButton room

316 Yezi Yang Wed, Feb 23, 2022 FAQ 14264 0

Question: How to change the default language in BigBlueButton room

1. Please click the option icons at the top right of the BigBlueButton webpage.
2. Then in the setting of 'Application language', choose the language you need.
3. Then click 'Save' button at the top of the setting page.
