

How to delete contents in Content bank

The screenshot shows the 'Content bank' interface. At the top, there is a green notification box with the text 'Content deleted.' and a close button 'X'. Below the notification are search and 'Add' buttons, and icons for 'Upload', 'grid view', and 'list view'. A dropdown menu is open, showing the text 'Chenhui's Test Module'. The main content area displays a folder icon followed by four resource cards: 'Drag the word. h5p', 'Interactive video.h5p', 'Quiz.h5p', and 'Test Cornell Notes'. Each card has a small preview image and a title.

An example of deleting contents in content bank.

Overview:

This guide will show you how to delete content in Content bank.

What to know:

Content bank contains all the H5P resources; therefore, users are able to create, edit or delete resources in content bank.

Table of Contents

[Step 1: Enter content bank.](#)

[Step 2: Choose the content that you want to delete.](#)

[Step 3: Click the 'setting' button and click the 'Delete' button.](#)
