An example of releasing grades

Overview:

This guide will show you how to release all the students' grades and feedback in assignment activity.

What to know:

You will have to enable the "Marking workflow" first in the Settings area of Assignment. The bulk releasing feature is useful to control and manage the grades before moderation.

Table of Contents

- [Step 1: Go to the assignment submission list](#)
- [Step 2: Show All the Students In The Submission List](#)
- [Step 3: Select all students](#)
- [Step 4: Select the marking status to release](#)

Step 1: Go to the assignment submission list

View all submissions
