Step 7: Uploading H5P files to the Content bank

You can now simply drag-and-drop the downloaded H5P file into the pop-up dialogue. Note that multiple files can not be dragged and dropped simultaneously. You can only upload one file at a time. Then click Save Changes.

Once complete, please click Content bank folder to view all the H5P functions listed, including the uploaded file.

Tips: Please note that the migration process for H5P file can only be processed one function at a time. There is no bulk migration for H5P content migration.
