

How to restrict only XJTLU staff and students can join a meeting

352 Zhefei Zhu Tue, Sep 13, 2022 Tencent Meeting

66013 0

Overview:

This guide will show you how to restrict only XJTLU staff or students to join a Tencent(VooV) Meeting.

What to know:

It is recommended to let students join a meeting with XJTLU account, this is to limit external users to join a meeting to the maximum extent.

[Schedule a meeting](#) and scroll down, there are settings for attendee restriction.

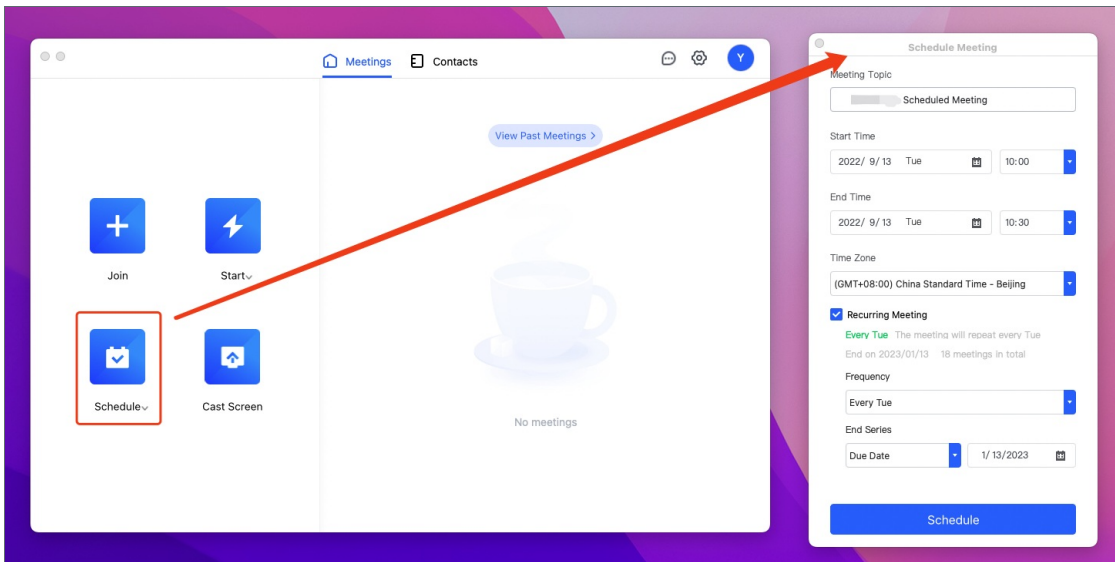

Table of Contents

[Way 1: Set up a password for your meeting](#)

[Way 2: Select "Enterprise users only"](#)

Way 1: Set up a password for your meeting

Scroll down the page, there will be a "Meeting Password" section; select to enable and an input box will show up next to the "Enable" checkbox.
