Overview:

This guide will show you how to join a VooV or Tencent Meeting via your browser (it is recommended to use Google Chrome).

What to know:

It will not require you to log in if you join a meeting via your browser. And you can only join via the VooV official website (which is also accessible on the Chinese mainland).

## Table of Contents

- Step 1: Visit the VooV official website and click the "Join Now" button on the navigation bar
- Step 2: Enter meeting ID and click the "Join" button
- Step 3: Click the "Join From Browser" button
- Step 4: Edit your name and confirm whether to turn on the mic or video, then join the meeting
- Step 5: Verify your information and confirm the data processing agreement

Step 6: Done!

Step 1: Visit the VooV official website and click the "Join Now" button on the navigation bar

1) Visit the VooV official website ( https://voovmeeting.com/)
