

# How to Verify Your Account in Turnitin Official Website

An example of a welcome email from Turnitin

## Overview:

This guide will show you how to verify your account in Turnitin official website before you could make any submissions to Learning Mall Core as well as the Turnitin website.

## NOTE:

If you believe that an instructor has added you as a student, but you have not received a welcome email from Turnitin, please check your spam or junk folder.

## What to know:

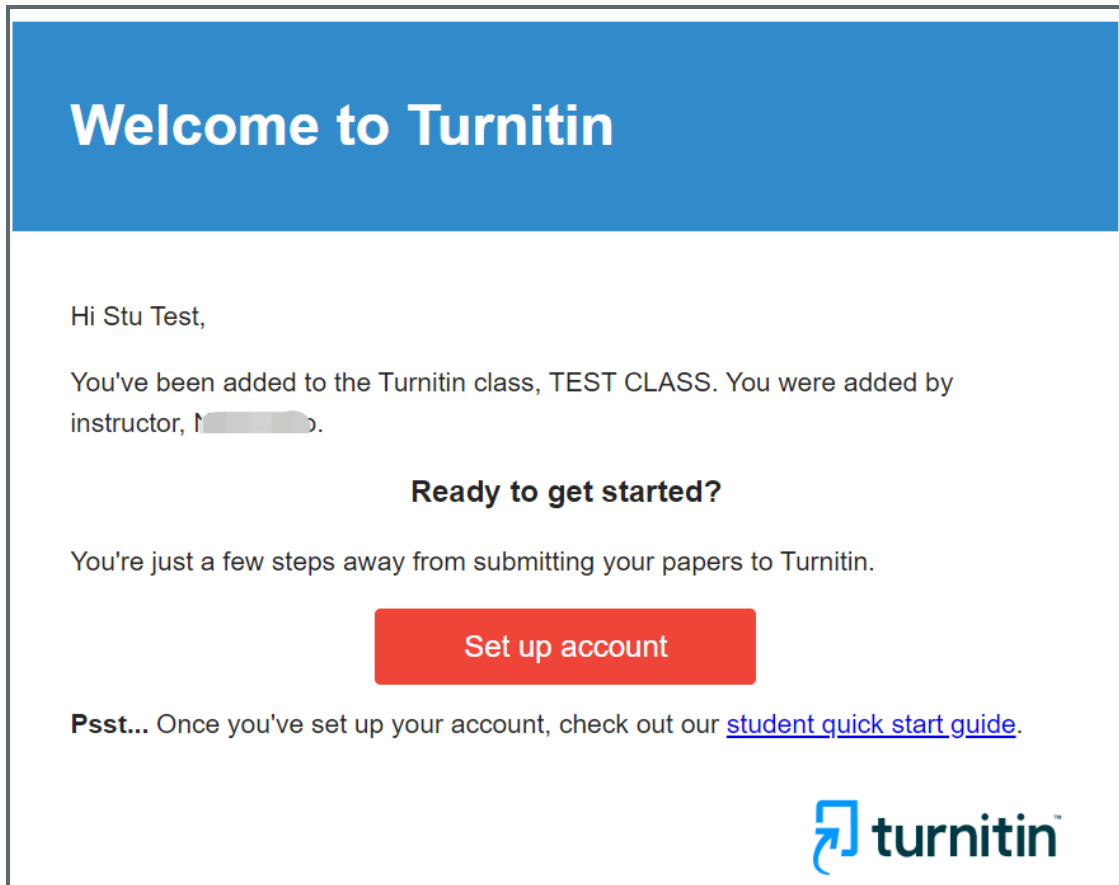

This is only available for students who have not clicked on End User License Agreement before the Turnitin disconnection issue.

- [Step 1: A welcome email from Turnitin](#)
- [Step 2: Set up an account](#)
- [Step 3: Create your password](#)
- [Step 4: Complete setting up the account](#)
- [Step 5: Security question](#)
- [Step 6: Agree the End User License Agreement](#)
- [Step 7: Enrolled in a class](#)

## Step 1: A welcome email from Turnitin

If you have received a welcome email from Turnitin, this confirms that your instructor has enrolled you to the class, allowing you to begin submitting papers to the designated modules. Click on the link for setting up an account from your Turnitin welcome email.

## Step 2: Set up an account

Enter your email address and your last name or family name (this must be the same email address to which your Turnitin welcome email was sent). Then, click Next to continue.

## Account Setup

To set up your account, please enter your email address and last name or family name.

Email Address

Last Name or Family Name

You can find this information in your Turnitin welcome email.

If you no longer have access to this email, ask your Turnitin instructor to look up your email address. If you are an instructor, please refer to your Turnitin administrator for this information.

Next

### Step 3: Create your password

Turnitin will send you an email to validate your account, with the subject: Set up your Turnitin Account. Return to your email inbox, ensuring you check your email client's spam or junk folder for this email.

NOTE: The create password URL will expire within 24 hours. If your create password link is no longer working, click [the here link under](#) to request a new email.

# Create your password

Hi Stu Test,

Your account is almost set up. Click below to create your password.

Create password

The link in this email will expire after 24 hours. Click [here](#) to request a new link.

Enter and confirm your new password. Your password must be between 8 and 12 characters, containing at least one letter and one number. Then, click the Create Password button to finish the account setup process. Alternatively, click Cancel to abort.

## Create Your Password

To finish setting up your account, please enter a password.

**Your password must be at least 8 characters long.**

[Cancel](#)

### Step 4: Complete setting up the account

Your account setup is now complete; Click the Log in Now Using your email address and newly created password, enter this

# Account Setup Complete

You can now log in to your account using your email address and password.

Learn more about your next steps by checking out our [quick start guides](#).

Log in

## Step 5: Security question

After login:

- a. you have the opportunity to amend your name and email address, should any of this information have been entered incorrectly;
- b. select a security question, then enter an answer in the fields provided. This will be used in the event that you need to reset your password. Then, click the Next

# Welcome to Turnitin!

You have been added as a student to the account **TEST CLASS**.

Before you can get started, we want to confirm your user information and give you the chance to set up your secret question and answer. Please feel free to change any other information as needed.

When you are done, click "next" to continue.

**your email \***

**Secret question \***

**Question answer \***

**your first name \***

**your last name \***

## Step 6: Agree the End User License Agreement

Select the I Agree -- Continue button to accept Turnitin's user agreement and enter the Turnitin service.

## User Agreement

**Our user agreement has been updated.** Please read our user agreement below and agree or disagree to its terms and conditions:

### Turnitin End-User License Agreement

**\*Users who are not in the European Union refer to Section A only.**

**\*\*Users in the European Union refer to Section B.**

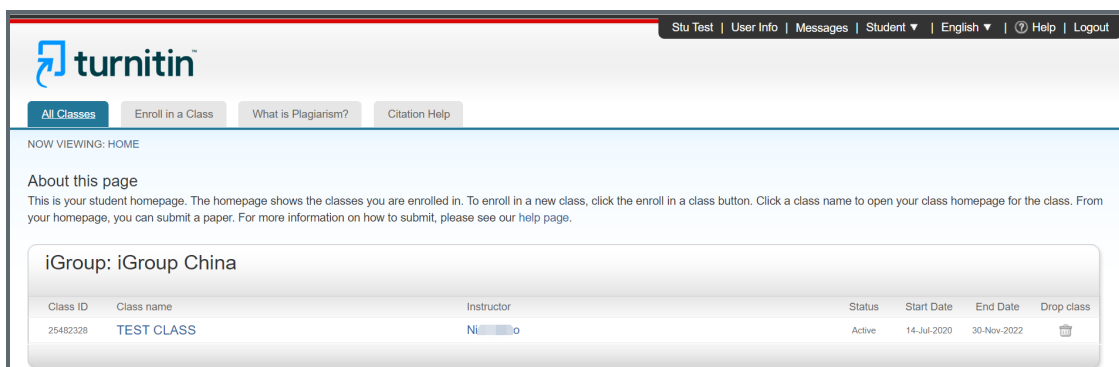

Protecting your personal data and privacy is our top priority. We are fully committed to transparency, accountability and using

[I Disagree -- Logout](#)

## Step 7: Enrolled in a class

Now, you will access your student homepage. And the class you have been enrolled for your informal check is listed in the "All Classes" tab.

Note: below is the example for the guide. The correct module for your informal check is "Turnitin Website Check AY22/23".

The screenshot shows the Turnitin student homepage. At the top, there is a navigation bar with links for "Stu Test", "User Info", "Messages", "Student", "English", "Help", and "Logout". Below this is the Turnitin logo and a set of tabs: "All Classes" (selected), "Enroll in a Class", "What is Plagiarism?", and "Citation Help". The main content area is titled "NOW VIEWING: HOME" and "About this page". It contains a paragraph explaining the homepage and a table of enrolled classes.

Class ID	Class name	Instructor	Status	Start Date	End Date	Drop class
25482328	TEST CLASS	Ni...o	Active	14-Jul-2020	30-Nov-2022	

### Tips:

Only "Turnitin Website Check AY22/23" is for your informal check. Any submissions to the wrong modules will result in high similarity scores for your future formal submissions.
