

How to embed an Articulate course to a Scorm Package activity in your module area

An example of a Scorm Package activity displayed in a Label

Overview:

This guide will show you how to export the course from Articulate Rise and embed it to a Scorm Package activity.

What to know:

After completing a course construction in Articulate Rise, you may optimise the asynchronous course and make it appealing to click via:

- embed the course in a Scorm Package activity
- insert the Scorm Package into a Label displayed as a description/ an image

Table of Contents

- [Step 1: Export the course from Articulate Rise](#)
- [Step 2: Create a Scorm Package activity](#)
- [Step 3: Upload the Articulate Zip file](#)
- [Step 4: Appearance setting](#)
- [Step 5: Hide the Scorm package but make it available](#)
- [Step 6: Copy the URL of the Articulate course](#)
- [Step 7: Create a Label activity](#)
- [Step 8: Add an image](#)
- [Step 9: Insert the URL as the hyperlink](#)

Step 1: Export the course from Articulate Rise

Log in to Articulate Rise and export the course concerned by clicking the 3 dot button and choosing "Publish" > "LMS".

Click "Publish" on the right corner of the page and leave the below settings as default. Then, you will receive an email with a download link from Articulate Rise. Click the link to download the scorm package.

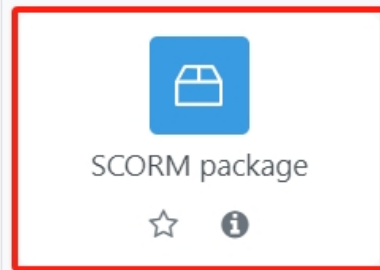

Step 2: Create a Scorm Package activity

Add a new activity and choose "Scorm package" in the activity chooser.

Add an activity or resource

scorm

1 results found

Step 3: Upload the Articulate Zip file

In the setting of the newly added Scorm Package, upload the exported Articulate Zip file in the "Package" setting.

Step 4: Appearance setting

In the "Appearance" setting, click "Show more" to expand all the conditions. Choose "Disabled" in "Display course structure in player" and untick "Display activity name", which will hide the navigation bar of the Articulate course.

Step 7: Create a Text and media area activity

Add a Text and media area activity.

Add an activity or resource

text

11 results found

The screenshot shows a search interface with a search bar containing the word 'text'. Below the search bar, it indicates '11 results found'. There are six activity/resource cards displayed in a grid. The 'Text and media area' card is highlighted with a red rectangular box. Each card includes an icon, a title, and two small icons (a star and an information icon).

Activity/Resource	Icon	Star	Info
Assignment	Document with arrow	★	i
Book	Open book	★	i
Chat	Speech bubbles	★	i
Page	Document	★	i
Text and media area	Text and media icon	★	i
URL	Globe	★	i

Step 8: Add an image

In the general setting of a newly added "Text and media area" activity, input the description and the image you'd like to associate with the Articulate course. Then click "insert or edit an image"

The screenshot shows the configuration screen for a new 'Text and media area'. The title is 'Adding a new Text and media area' with an expand/collapse icon and a help icon. There is an 'Expand all' link. The 'General' section is expanded, showing a 'Text' field. Below the text field is a rich text editor toolbar with various icons. The 'Insert or edit an image' icon (a square with a picture) is highlighted with a red box. Below the toolbar, the text 'Welcome to the Scorm test.' is entered in the text area.

Click "Browse repositories" to upload the image.

Save image

Step 9: Insert the URL as the hyperlink

Click the "Show/hide advanced button" in the rich text editor to expand more options. Then click "HTML"

The HTML will be displayed. Please copy this HTML code and replace the URL of the Articulate course and image inserted:

```
<a target="_blank" href="URL of the Articulate course">
<p>Welcome to the induction session</p>
<p><br></p>&nbsp;
</a><br>
```

Adding a new Text and media area

Expand all

General

Text

```

1 <a target="_blank"
  href="https://core.xjtlu.edu.cn/mod/scorm/player.php?
  a=102&currentorg=articulate_rise&scoid=236&sesskey=UsMC23PcI
  Z&display=popup&mode=normal">
2 <p>Welcome to the induction session</p>
3 <p><br></p>&nbsp;
4 </a><br>
  
```

The HTML part is a bit tricky. By doing this, the students will just click on the image and open up the embedded course. You could either insert the URL of the Articulate course in the word description, which is much easier. Remember to choose the text before adding a hyperlink.

Adding a new Text and media area

Expand all

General

Text

Welcome to the induction session

Now the student would just simply click on the description / the image to open up the course.

Welcome to the induction session
