

# How to embed an Articulate course to a Scorm Package activity in your module area

An example of a Scorm Package activity displayed in a Label

## Overview:

This guide will show you how to export the course from Articulate Rise and embed it to a Scorm Package activity.

## What to know:

After completing a course construction in Articulate Rise, you may optimise the asynchronous course and make it appealing to click via:

- embed the course in a Scorm Package activity
- insert the Scorm Package into a Label displayed as a description/ an image

## Table of Contents

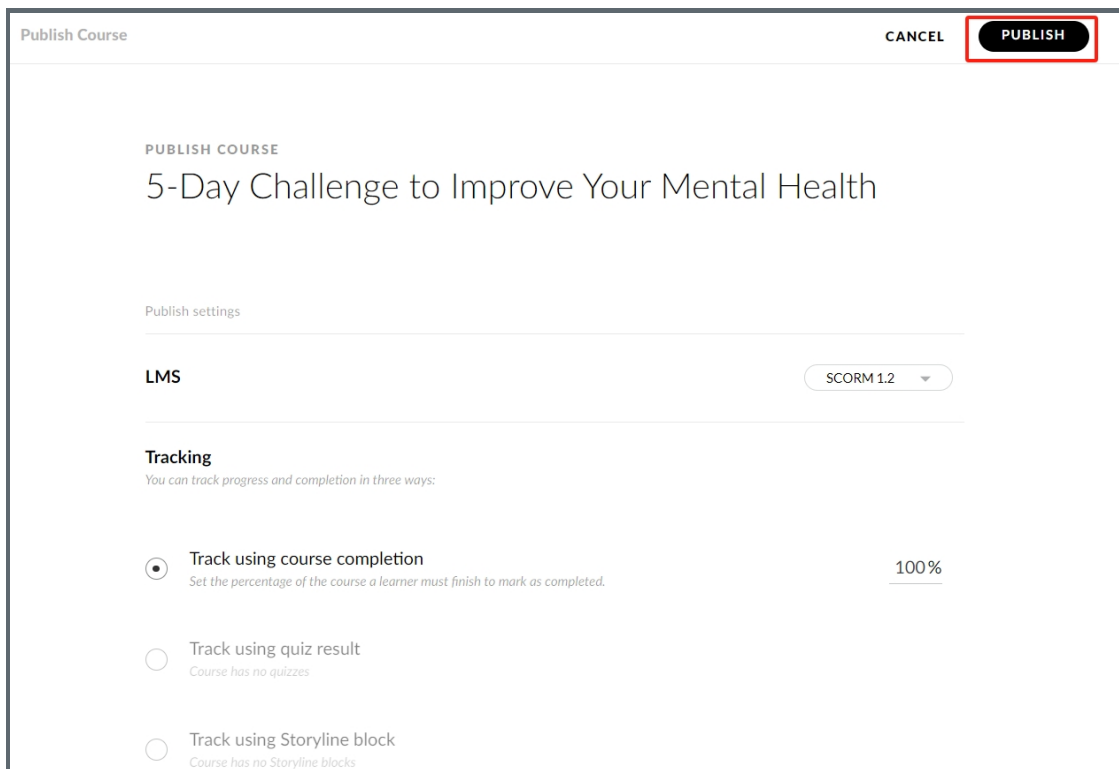

- [Step 1: Export the course from Articulate Rise](#)
- [Step 2: Create a Scorm Package activity](#)
- [Step 3: Upload the Articulate Zip file](#)
- [Step 4: Appearance setting](#)
- [Step 5: Hide the Scorm package but make it available](#)
- [Step 6: Copy the URL of the Articulate course](#)
- [Step 7: Create a Label activity](#)
- [Step 8: Add an image](#)
- [Step 9: Insert the URL as the hyperlink](#)

## Step 1: Export the course from Articulate Rise

Log in to Articulate Rise and export the course concerned by clicking the 3 dot button and choosing "Publish" > "LMS".

Click "Publish" on the right corner of the page and leave the below settings as default. Then, you will receive an email with a download link from Articulate Rise. Click the link to download the scorm package.

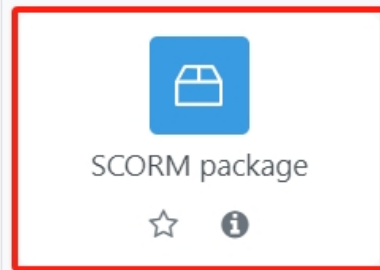

## Step 2: Create a Scorm Package activity

Add a new activity and choose "Scorm package" in the activity chooser.

## Add an activity or resource

scorm

1 results found

### Step 3: Upload the Articulate Zip file

In the setting of the newly added Scorm Package, upload the exported Articulate Zip file in the "Package" setting.

#### Package

Package file ⓘ Maximum file size: Unlimited, maximum number of files: 1

Files

5-day-challen...

Accepted file types:  
application/xml .xml  
Archive (ZIP) .zip

### Step 4: Appearance setting

In the "Appearance" setting, click "Show more" to expand all the conditions. Choose "Disabled" in "Display course structure in player" and untick "Display activity name", which will hide the navigation bar of the Articulate course.

## Appearance

Display package New window ▾

Show less...

Width 100%

Height 500

Options (Prevented by some browsers)

- Allow the window to be scrolled
- Show the directory links
- Show the location bar
- Show the menu bar
- Show the toolbar
- Status

Student skip content structure page Never ▾

Disable preview mode No ▾

Display course structure in player Disabled ▾

Display course structure on entry page No ▾

Display attempt status Entry page only ▾

### Step 5: Hide the Scorm package but make it available

In "Common module settings", choose "Make available but not shown on the course page" in Availability. Then the Scorm package will be hidden from the students but still available in your module area.

## Compatibility settings

### Common module settings

Availability Make available but don't show on course page ▾

ID number

Force language Do not force ▾

Include in course content download Yes ▾

Group mode No groups ▾

Add group/grouping access restriction

### Step 6: Copy the URL of the Articulate course

Click the Scorm Package activity and hit the Enter button to open the course.

## 5-Day Challenge to Improve Your Mental Health

### Step 7: Create a Text and media area activity

Add a Text and media area activity.

## Add an activity or resource

text

11 results found

The screenshot shows a search interface with a search bar containing the word 'text'. Below the search bar, it indicates '11 results found'. There are six activity/resource cards displayed in a grid. The cards are: 'Assignment' (pink icon), 'Book' (blue icon), 'Chat' (green icon), 'Page' (blue icon), 'Text and media area' (blue icon with a red box around it), and 'URL' (blue icon). Each card has a star icon and an information icon below the title.

### Step 8: Add an image

In the general setting of a newly added "Text and media area" activity, input the description and the image you'd like to associate with the Articulate course. Then click "insert or edit an image"

The screenshot shows the configuration screen for a new 'Text and media area'. The title is 'Adding a new Text and media area' with an expand icon. There is an 'Expand all' link in the top right. The 'General' section is expanded, showing a 'Text' field. Below the text field is a rich text editor toolbar with various icons for text formatting, alignment, and media insertion. The 'Insert or edit an image' icon (a square with a picture) is highlighted with a red box. Below the toolbar, the text 'Welcome to the Scorm test.' is entered in the text area.

Click "Browse repositories" to upload the image.
