An example of student selection view

Overview:

This guide will show you how to select and rank teachers in FYP as a student.

What to know:

As a student, you should be able to select and rank teachers in the FYP system once the Admin has uploaded you in FYP. Otherwise, please contact your school secretary before the selection.

Table of Contents

Step 1: Log in FYP via SSOStep 2: DashboardStep 3: View teacher listStep 4: Fill in the selection and proposalStep 5: Submit your selection

Step 1: Log in FYP via SSO

Please log in SSO and click FYP system.

Step 2: Dashboard

By default, you will find the selection period in Dashboard page. Please make sure to complete the selection before the end time of the students application period.

LM-FYP	= 🔁 Dashboard

Step 3: View teacher list

Click the "Teacher list" tab on the left to expand the teachers in selection. The instruction is on the top of this page.

- 1. Click the "Teacher introduction" to view the details of the teacher profile.
- 2. "Select this mentor" if you prefer this teacher in particular. The sequence of your selection will be reflected.
- 3. Click "Detail" to view the selection results.
