An example of students' submission interface

#### Overview:

This guide will show you how to set up the checkbox to ask for the permission of students submissions for research purpose.

#### What to know:

The Checkbox feature is only available in Assignment activity where students are required to upload their submissions.

#### Next steps:

Now that you have finished establishing the checkbox feature in the Assignment activity, you will be able to see the list of students who have agreed to contribute their submissions. The functionality to export the list of students who have agreed is currently in development. Please reach out to Learningmall@xjtlu.edu.cn to assist you in downloading the list.
