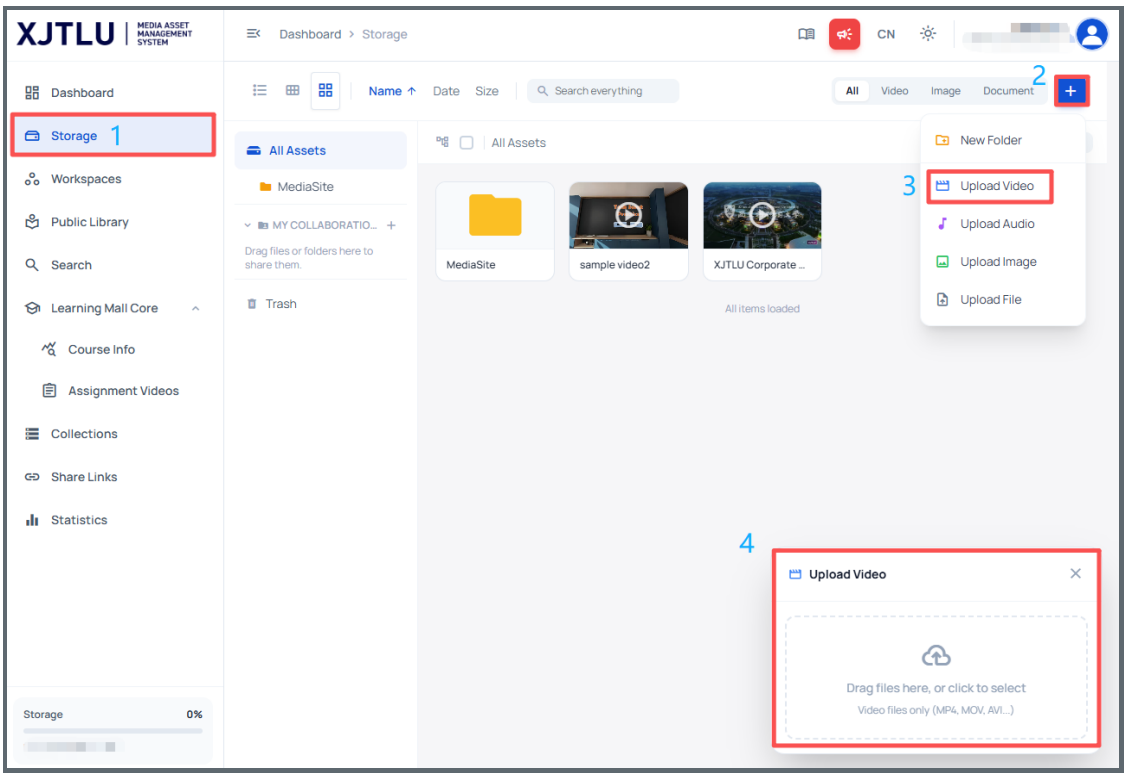
Download a video from Mediasite and upload it to the Media Asset Management System (MAM)

429 Knowledge Base Administrator Tue, Sep 1, 2026 Media Asset Management System (MAM) 492 0



An example of uploading video to MAM

Overview:

This operation guide demonstrates how to download a video from Mediasite https://video.xjtlu.edu.cn/ and upload it to the Media Asset Management System (MAM) https://media.xjtlu.edu.cn/.

What to know:

Media Asset Management System (MAM) is the upgraded replacement for Mediasite and serves as a video hosting solution for all XJTLU faculty, allowing users to upload, manage, and publish video content in any Learning Mall module.

Table of Contents

Step 1: Download the video from Mediasite
Step 2: Log in to the Media Asset Management System (MAM)
Step 3: Upload the video to MAM
