An example of adding questions from the question bank

Overview:

This guide will show you how to add questions from the question bank into a Quiz activity.

Table of Contents

[Step 1: Access the Quiz activity where you want to add the questions](#)

[Step 2: Edit quiz](#)

[Step 3: Locate the 'from question bank' link](#)

[Step 4: Add questions](#)

Step 1: Access the Quiz activity where you want to add the questions

In your module area/course, click the link of the Quiz activity where you want to add the questions.

▼ Topic 1 ↗

Note: If an appropriate Quiz activity doesn't exist in your module area/course, please see [Add a quiz](#) for details of how to create one.

Step 2: Edit quiz

1. Click the 'Add question' button

The image shows a 'Quiz' edit page. At the top, there is a navigation bar with tabs: Quiz (which is active and highlighted in blue), Settings, Questions, Results, Question bank, and More. Below the navigation bar, there is a 'Mark as done' button. The main area features a large 'Add question' button, which is highlighted with a red box. Below this button, the text 'Attempts allowed: 1' is displayed. A message box states 'No questions have been added yet'. At the bottom of the page is a 'Back to the course' button.

Step 3: Locating the 'from question bank' link

1. On the following page, click the 'Add' link.
2. Click the 'from question bank' link in the dropdown menu.

The image shows an 'Add' dropdown menu. The menu includes options: 'a new question' (with a plus sign), 'from question bank' (with a plus sign and highlighted with a red box), and 'a random question' (with a plus sign). There is also a 'Shuffle' checkbox and an 'Add' button.

Step 4: Add questions

A window will pop up to give you the ability to filter and locate the questions that you would like to add.

Select a category : this is where you select a category in the question bank to help to locate the questions that you are looking for. To learn more about categories in the question bank, read this article (link for questions bank category article).

Filter by tags : You can further filter your search by choosing a tag if your questions have tags. To learn more about tags in the question bank, read this article (link for questions bank tag article)

Also show questions from subcategories : it is checked as default. You can un-check this box to refine your search.

Also show old questions : if checked, questions that have been deleted in the past but are currently used in a Quiz therefore not deleted entirely will appear in the list. It is suggested to leave this unchecked.

Select one or more questions from the list and click 'Add selected questions to the quiz'.
