Overview:

This guide will show you how to preview a question within the Quiz activity.

Table of Contents

- Step 1: Access the Quiz activity
- Step 2: Open the 'Questions' tab
- Step 3: Click the 'Magnifying glass' button next to the question
- Step 4: Change the Preview options if needed
- Step 5: Change the display options if needed
- Step 6: Check if the question behaves as expected

Step 1: Access the Quiz activity

In your module area/course, click the link of the Quiz activity.

Note: If an appropriate Quiz activity doesn't exist in your module area/course, please see [Add a quiz](#) for details of how to create one.

Step 2: Open the 'Questions' tab

Tips:

It is recommended to preview questions that have multiple answers or questions that involve complex configuration to double-check if the questions behave as what you expect.
