The screenshot shows a quiz editor interface titled "Questions". At the top, it indicates "Questions: 17 | This quiz is open" and "Maximum grade 100.00" with a "Save" button. Below this are buttons for "Repaginate" and "Select multiple items", and a "Total of marks: 22.00" indicator. A "Shuffle" checkbox is also present. The main area displays a list of questions on "Page 1". The first question is "The Loch Ness Monster is a type of?". The second question is "All-or-Nothing Multiple Choice Question What are the seasons in a year? (All or ...)". The third is a "matching question" and the fourth is a "Matrix/Kprime question example". Each question row includes a search icon, a dropdown menu set to "Always latest", a delete icon (highlighted with a red box), and a score of "1.00". A tooltip labeled "Delete" is visible over the delete icon of the second question.

Note: The questions deleted from Quiz can be found in Question Bank.
