

Quiz - Separate questions in sections

The screenshot shows a quiz editor interface with two sections. Section one is titled 'Section one' and contains two questions: a 'Choice question example' and a 'Numerical question'. Section two is titled 'Section two' and contains two questions: a 'True/False question' and a 'Short answer question'. Each question has a score of 25.00 and a 'Always latest' dropdown menu. The interface also includes 'Add' and 'Shuffle' options for each section.

An example of questions separated in sections

Overview:

This guide will show you how to separate questions into sections within the Quiz activity.

What to know:

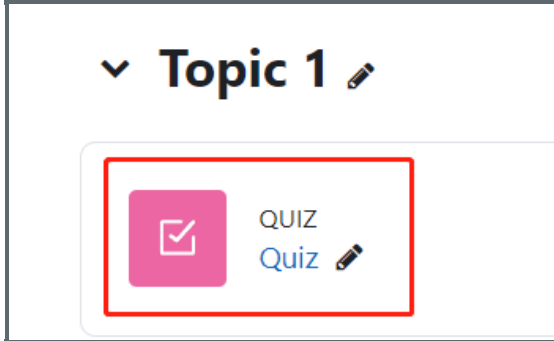

Separating questions into sections will allow you to display different headings within the Quiz activity and apply different shuffling options in different sections. For example, you can set the questions in Section 1 to be shuffled and Section 2 not to be shuffled.

- [Step 2: Edit quiz](#)
- [Step 3: Add a new section heading](#)
- [Step 4: Click 'Page break' icon to create a new section](#)
- [Step 5: Delete a section](#)

Step 1: Access the Quiz activity

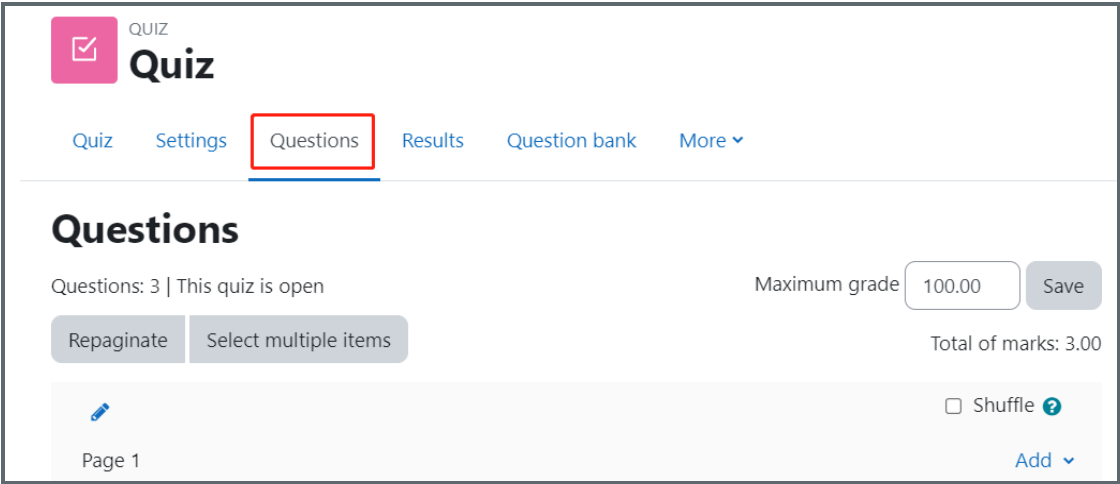

In your module area/course, click the link of the Quiz activity.

Note: If an appropriate Quiz activity doesn't exist in your module area/course, please see [Add a quiz](#) for details of how to create one.

Step 2: Edit quiz

1. Click the 'Questions' tab.

Step 3: Add a new section heading

Click the 'Pen' icon at the left of a page and add a section name.

The screenshot shows the 'Quiz Questions' interface. At the top, there are navigation tabs: Quiz, Settings, Questions (selected), Results, Question bank, and More. Below the tabs, the title 'Questions' is displayed. The status 'Questions: 4 | This quiz is open' is on the left, and 'Maximum grade 100.00' and 'Save' are on the right. Below this, there are buttons for 'Repaginate' and 'Select multiple items', and 'Total of marks: 100.00'. A 'Shuffle' checkbox is also present. The main area shows a list of questions under 'Page 1'. The first question is a 'Choice question example' with a score of 25.00. The second is a 'Numerical question' with a score of 25.00. The third is a 'True/False question' with a score of 25.00. A red box highlights the 'Add' button on the left side of the question list.

Step 4: Click 'Page break' icon to create a new section

Click the 'Page break' icon to create a new section.

Click the 'Add' button on the left, and choose 'a new section heading' to add a new heading.

The screenshot shows the 'Quiz Questions' interface after a new section has been added. The title 'Questions' is at the top. The status 'Questions: 4 | This quiz is open' is on the left, and 'Maximum grade 100.00' and 'Save' are on the right. Below this, there are buttons for 'Repaginate' and 'Select multiple items', and 'Total of marks: 100.00'. A 'Shuffle' checkbox is also present. The main area shows a list of questions under 'Section one'. The first question is a 'Choice question example' with a score of 25.00. The second is a 'Numerical question' with a score of 25.00. The third is a 'True/False question' with a score of 25.00. The fourth is a 'Short answer question' with a score of 25.00. A red box highlights the 'Add' button on the left side of the question list, and a dropdown menu is open, showing options: 'a new question', 'from question bank', 'a random question', and 'a new section heading' (highlighted with a red box).

Step 5: Delete a section

Click  to delete a section.
