Step 1: ICE module page

Go to your ICE module page.

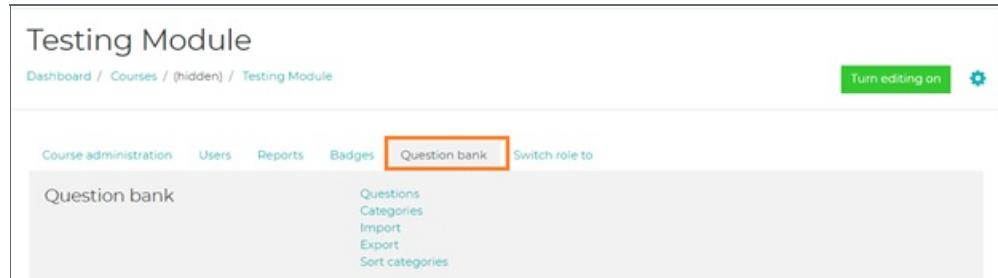

Step 2: Accessing your Question bank

You can access all of the quizzes on your module by clicking on the settings cog on the right -hand side of your screen on your module page,

and then by clicking on the Question bank section from the subsequent drop-down menu

Step 3: Exporting your questions

Click on Export in the Question bank menu.

The screenshot shows the Moodle Question bank interface. At the top, there are tabs for 'Quiz administration', 'Results', and 'Question bank'. Under 'Question bank', there is a sub-menu with options: 'Questions', 'Categories', 'Import', 'Export' (which is highlighted with a red box), and 'Sort categories'.

Step 4: Choosing a file format

Choose a file format in this case 'Moodle XML format'.

The screenshot shows the 'Export questions to file' dialog. Under the 'File format' section, the 'Moodle XML format' option is selected (indicated by a blue circle) and highlighted with a red box. Other options include 'Aiken format', 'GIFT format', 'Print out for review', and 'XHTML format'. There is also a 'General' section with an 'Export category' dropdown set to 'Top for Kenny test area' and checkboxes for 'Write category to file' and 'Write context to file'. A 'Collapse all' button is in the top right corner.

Step 5: Exporting

Then go down to the General section.

The screenshot shows the 'Export questions to file' dialog. The 'General' section is highlighted with a red box. The 'Export category' dropdown is set to 'Top for Kenny test area'. Below it, there are checkboxes for 'Write category to file' and 'Write context to file', both of which are checked. At the bottom is a large 'Export questions to file' button.

Step 6: Exporting your question to your computer

Now you can export your questions.
