The screenshot shows the Learning Mall dashboard. At the top, there is a navigation bar with the Learning Mall Core logo, a search bar, and a notifications icon showing 6 notifications. The main content area on the left features a section titled 'Find Your Previous Learning Records' with an illustration of a person at a computer and text about viewing learning records for the last academic year (AY22-23). Below this is a 'Starred courses' section showing a card for 'Chenhui's Test Module' under 'Test Modules'. At the bottom of the main area are 'Timeline' and a question mark icon. The right side has a 'Bookmark' section with a 'Browse list of users' button, an 'External Links' section with links to the Learning Mall homepage, premium version, and archive system, and a 'Recently accessed items' section listing three assignments from 'Sandbox 46'.

An example of Dashboard of Learning Mall

Overview:

This guide will show you what does the dashboard of the Learning Mall look like, and what functions/feature it has. For example, both teachers and students can find their own modules on the dashboard. Users can also manage some of the contents according to their own preference.

What to know:

Dashboard is also called main page or home page. It's the control panel of the Learning Mall where you can view all your learning resources and learning status.

?

User menu with links to profile, preference, log out ...

My courses: You can access the list of your modules via the "My courses" tab.

All modules: It will bring you to the page of all the modules in XJLTU (categorized by schools and departments). You can also search for your own course in this page.

When you click the user menu, it will have many features in a dropdown list such as the Profile, Grades, Calendar and Log out button:

You are logged in as Sandbox Student 1 CLASS

Tips:

Teachers can find the "Switch role to..." button in the dropdown list of the user menu (students can't) so that they can view the page/course from the student point of view:

Starred courses

Starred courses will show modules you've starred on the My courses page.

A screenshot of the 'Starred courses' block. It displays a single module card for 'Chenhui's Test Module'. The card features a blue play button icon and the text '★ Chenhui's Test Module' and 'Test Modules'. A horizontal scrollbar is visible at the bottom of the block.

Timeline

The Timeline block will show all the tasks students have recently including the assignments, quizzes which are sorted by the due date by default. Teachers may can't see anything here.

Students can make a quick submission directly by clicking the button "*Add submission*" in the timeline, or clicking "*Attempt quiz now*" to quickly join the quiz.

Block drawer

The right block drawer can now be expanded and collapsed and has its own scroll bar.

The screenshot shows the Moodle dashboard. The top navigation bar includes the Learning Mall Core logo, a search bar, and user notifications. The main content area features a 'Dashboard' box with sections for 'Find Your Previous Learning Records' (with an 'Archive System AY22-23' link) and 'Starred courses'. To the right, a block drawer is expanded, containing sections for 'Bookmark' (with a 'Favourite this page' button), 'External Links' (listing 'Learning Mall Homepage', 'Learning Mall Premium', and 'Archive System AY22-23'), and 'Recently accessed items' (listing 'quiz1' and 'assignment1' from the timeline). A red box highlights the 'Recently accessed items' section.
