Overview:

This guide will show you how to upload a Mediasite video, as well as publish an existing Mediasite video, to your Learning Mall module.

What to know:

Mediasite is a video hosting solution for all XJTLU faculty which can be used to upload, manage and publish video content in any Learning Mall module. Videos uploaded to Mediasite can also include a number of useful features such as chapters, quizzes, polls and Closed Captions. Finally, Mediasite also offers advanced Video Analytics teachers can use to monitor student engagement.

Table of Contents

[Step 1: Add Mediasite activity to your Learning Mall module](#)

[Step 2: Upload a new video](#)

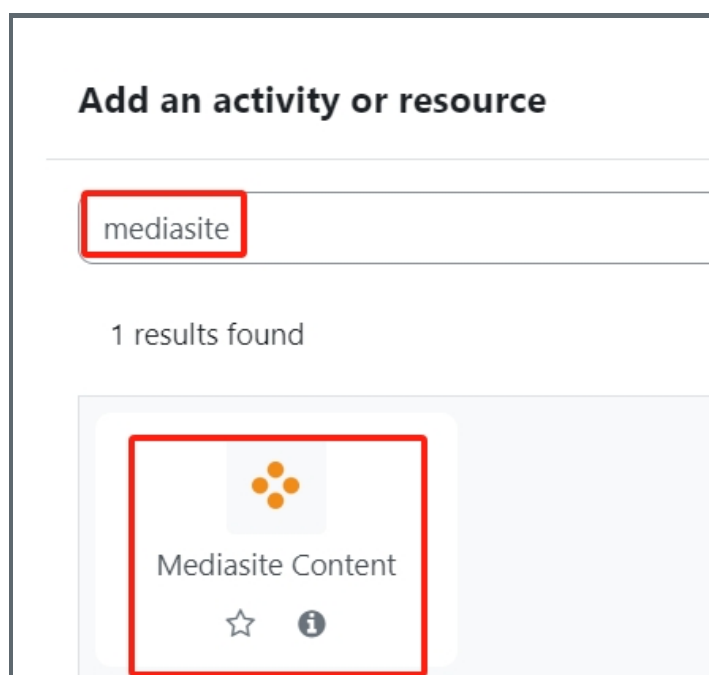

[Step 3: Provide details about your video](#)

[Step 4: Select video presentation style](#)

[Step 5: Add an existing Mediasite video to your Learning Mall module](#)

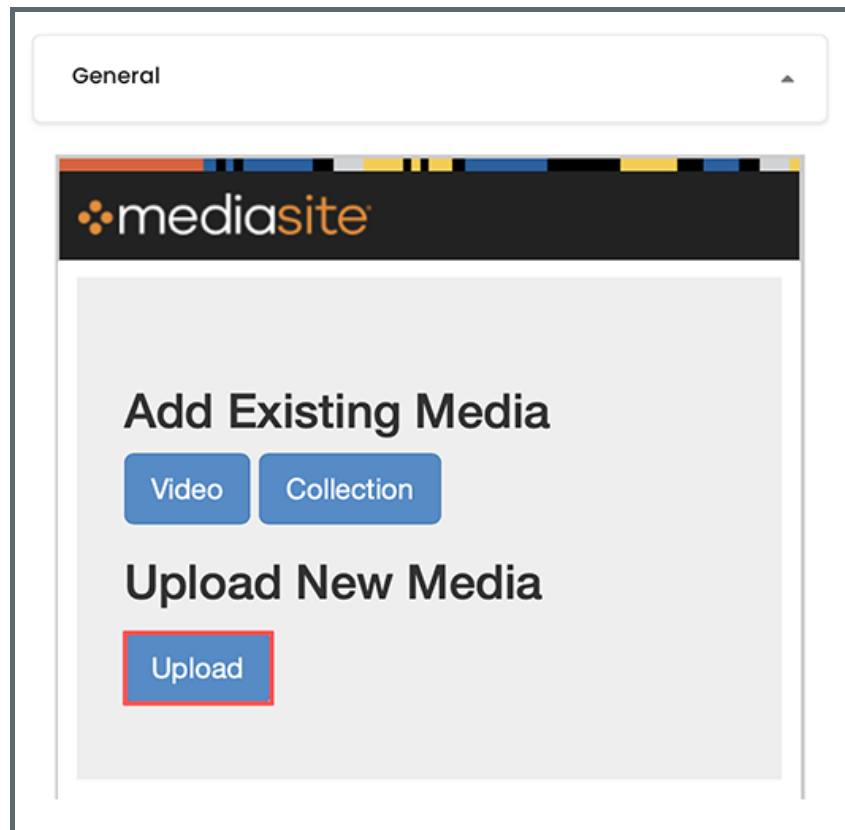

Step 1: Add Mediasite activity to your Learning Mall module

1. Navigate to your Learning Mall module, turn module area editing on.
2. Click 'Add an Activity or Resource' and select Mediasite Content from the Activity Chooser.

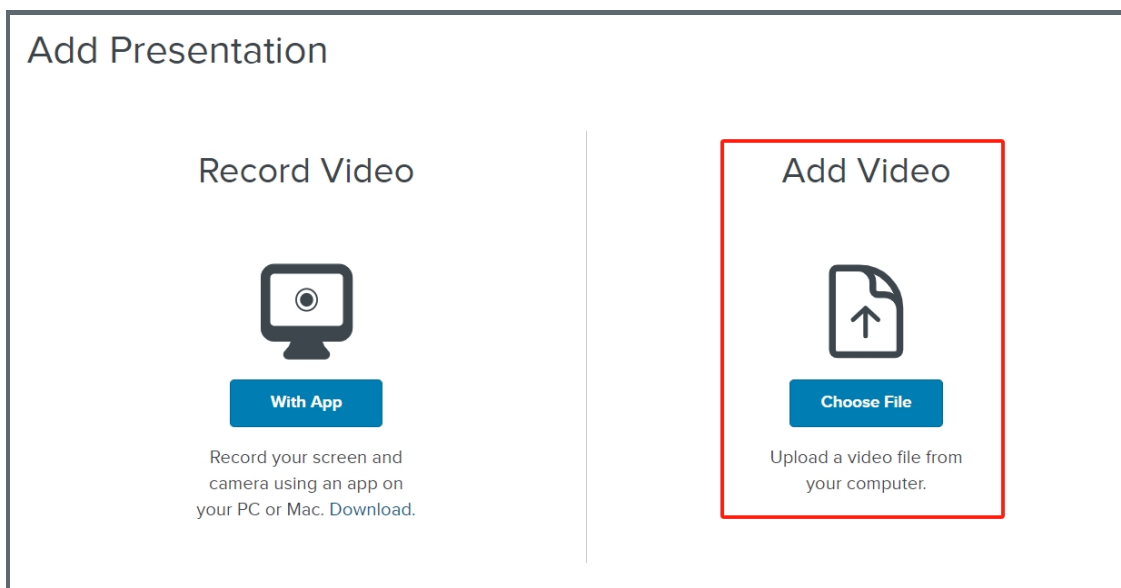

Step 2: Upload a new video

You can either upload a new video or select an existing Mediasite video. To upload a new video click the 'Upload New Media' button:

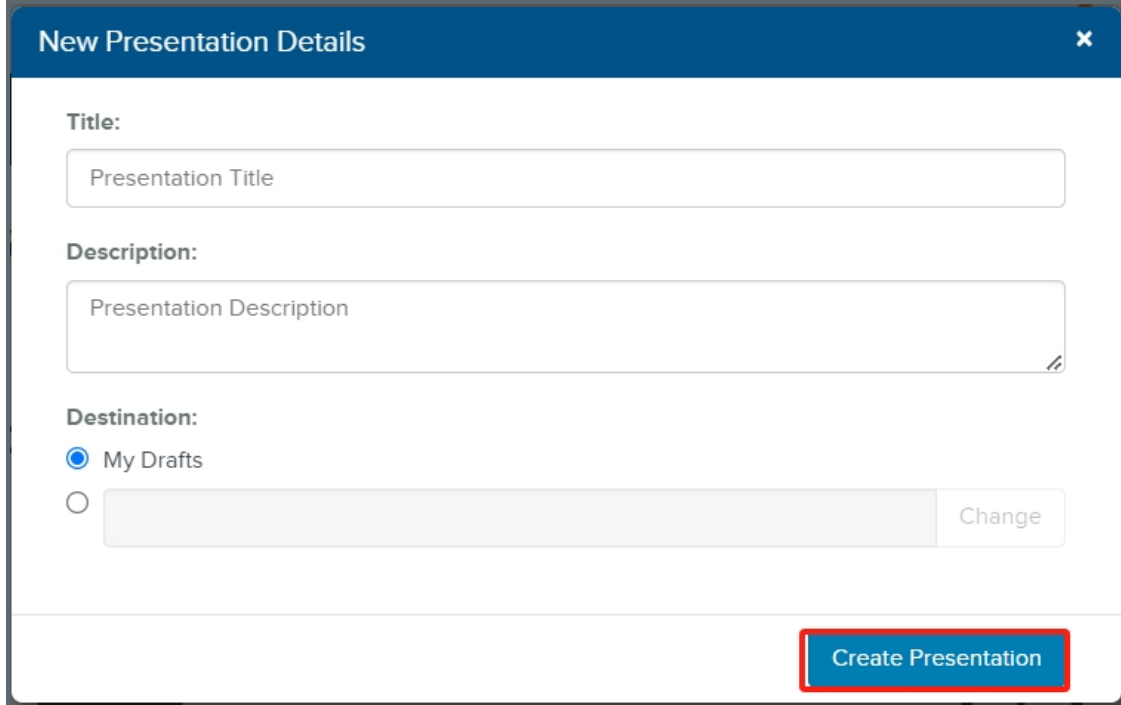

Then, click 'Upload New Video' and select a video from your desktop:

Step 3: Provide details about your video

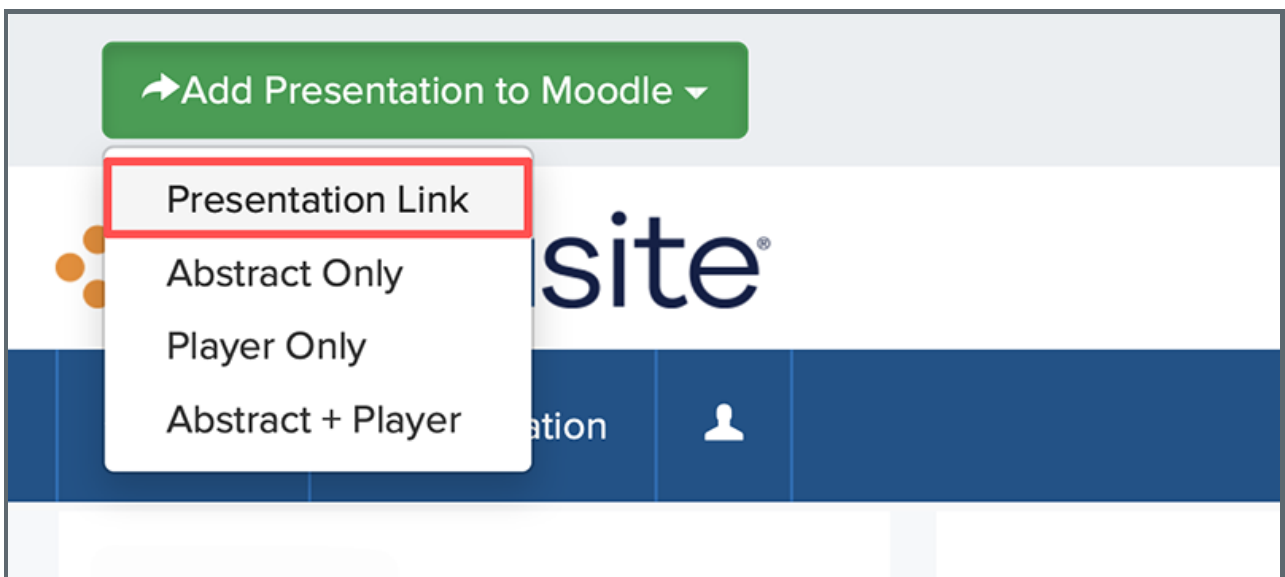

Next, you need to provide a descriptive name for your video as well as an optional description. Finally, click 'Create Presentation'.

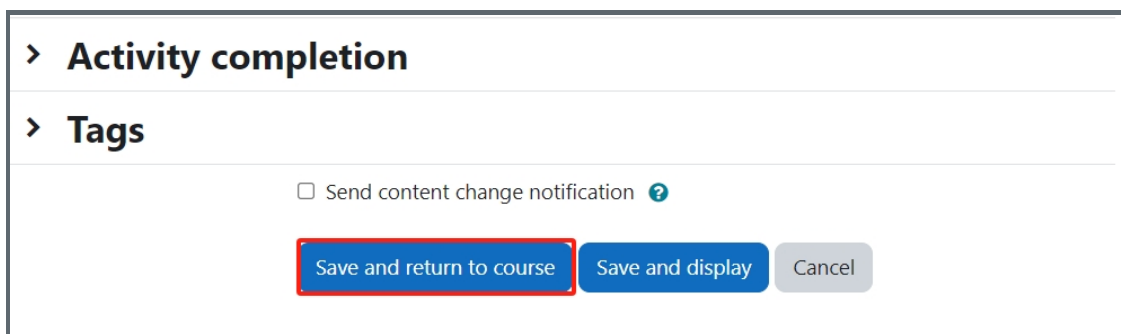

The 'New Presentation Details' form contains three main sections: 'Title' with a text input field labeled 'Presentation Title'; 'Description' with a larger text area labeled 'Presentation Description'; and 'Destination' with a radio button selected for 'My Drafts' and an empty input field with a 'Change' button. A red box highlights the 'Create Presentation' button at the bottom right.

Step 4: Select video presentation style

After the video upload is complete, click 'Add Presentation to Moodle' in the upper-left corner and select 'Presentation Link' from the drop down menu.

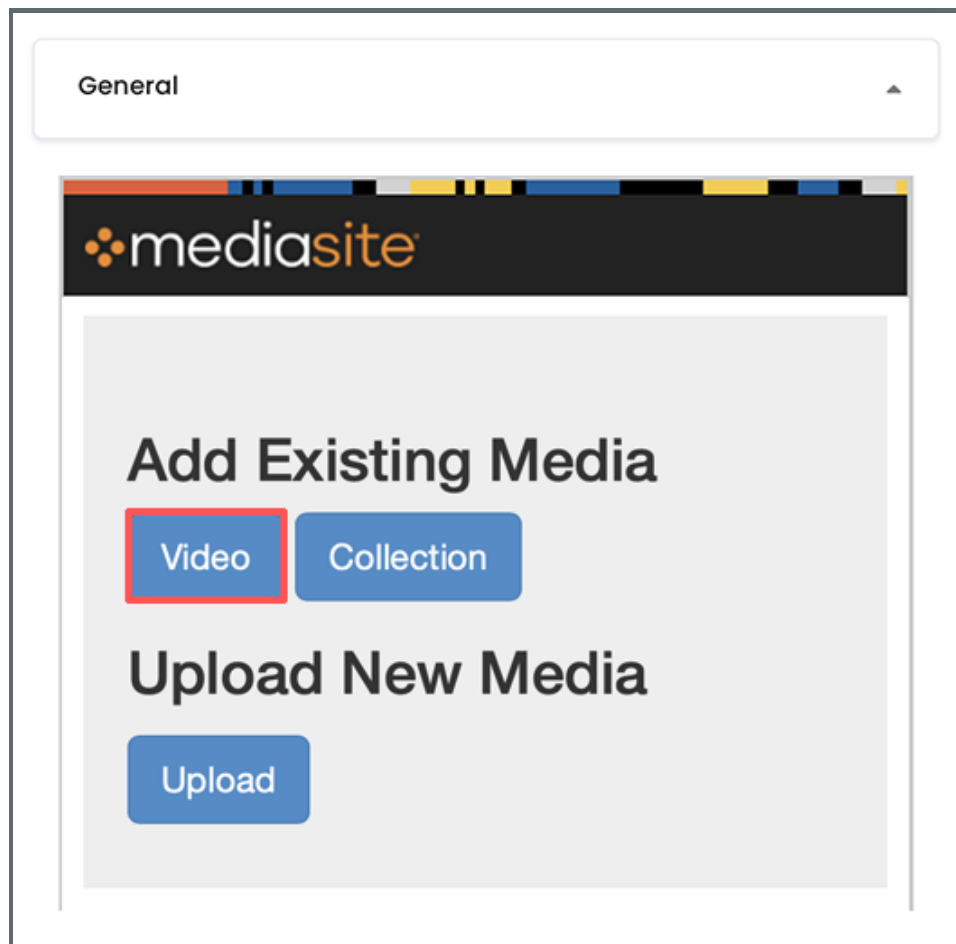

Finally, click 'Save and return to course':

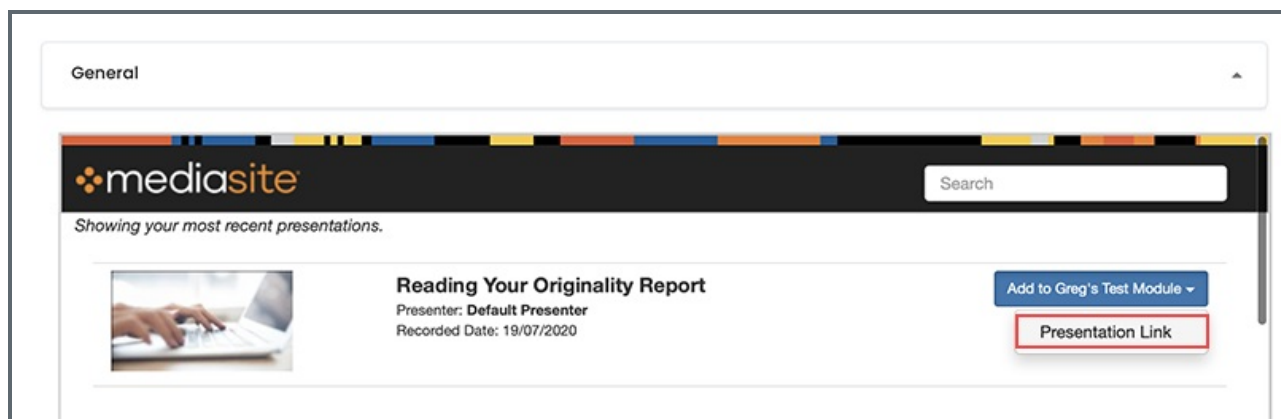

This section includes expandable sections for 'Activity completion' and 'Tags'. Below these is a checkbox for 'Send content change notification' with a help icon. At the bottom, three buttons are shown: 'Save and return to course' (highlighted with a red box), 'Save and display', and 'Cancel'.

Step 5: Add an existing Mediasite video to your Learning Mall module

If you want to add an existing Mediasite video to your Learning Mall module, click the 'Video' button.

Next, locate the video you want to publish and choose 'Presentation Link' from the 'Add to Module' menu.

Finally, click 'Save and return to course'
